

**AFFIDAVIT  
FARM STRUCTURE EXEMPTION**

Farm buildings and structures are exempt from the Virginia Uniform Statewide Building Code (USBC). In order to qualify for this exemption, the structure must be used for a specific purpose which is directly related to an operating farm. The Code of Virginia §36-97 and **Section 101.7** of the 2000 edition of the USBC defines a farm building/structure as follows:

**Farm Structure (building):** A building or structure not used for residential purposes, located on property where farming operations take place, and used primarily for any of the following uses or combination thereof:

1. Storage, handling, production, display, sampling or sale of agricultural, horticultural, floricultural or silvicultural products produced on the farm;
2. Sheltering, raising, handling, processing or sale of agricultural animals or agricultural animal products;
3. Business or office uses relating to the farm operations;
4. Use of farm machinery or equipment or maintenance or storage of vehicles, machinery or equipment on the farm;
5. Storage or use of supplies and materials used on the farm; or,
6. Implementation of best management practices associated with farm operations.

Such buildings or structures lying within a flood plain or in a mudslide-prone area are subject to floodproofing and/or mudslide regulations. This exemption does not apply to any building or portion thereof used or operated as a restaurant and licensed by the Board of Health.

Presentation of a false affidavit would constitute a violation of **Section 105** of the USBC and subject to a fine not to exceed **\$2,500.00**. Presentation of a false affidavit may also constitute violation of other federal, state or local regulations which may be punishable separately. The structure **is not exempt** from other laws, regulations and ordinances including the Nelson County Zoning Ordinance and the Nelson County Erosion and Sediment Control Ordinance.
