**Colocation Charges for Providers within NCBA shelters:**

Quantity	Monthly Cost
2 RU	\$75.
One-half rack	\$200.
Full Rack	\$350.

All rentals are based on a space available basis. Rental will include access to one 20 amp, 120 volt circuit. Redundant CC power (-48 volt) will be available as well. The Colocation charges include up to 20 amps of DC power. Additional DC power, subject to availability, will be priced at \$6.25 per amp in 10 amp increments.

**Tower Access:**

Location on Tower	Price per Month per Customer
Top thirty feet in 10 foot sections	\$275 per antenna for first three antennas (includes cables and ancillary equipment such as tower mounted amplifiers) \$150 per additional antenna installed by the same lessee.
Next thirty feet in 10 foot sections	\$175 per antenna for first three antennas (includes cables and ancillary equipment such as tower mounted amplifiers) \$90 per additional antenna installed by the same lessee.
Remaining access in 10 foot sections	\$50 per antenna (includes cables and ancillary equipment such as tower mounted amplifiers)

All tower access charges are in addition to a site access fee of \$200 per month. Site access fee entitles lessee access to electric power (contracted for by lessee) and ground space for cabinet (10 square feet). Shelter colocation charges and local transport charges are additional as are lease space for placing shelters, generators or other equipment. Items not specifically addressed will be priced on an individual basis.

Preference will be given to providers wishing space higher on the towers. The NCBA may limit the size of antennas or duration of leases for antennas located below the top 80 feet.

Tower leases will be accepted based on maximum allowable loading of a tower. If, in the sole discretion of the NCBA, an analysis of the structural integrity of the tower is deemed necessary, then the costs of the analysis will be borne by the lessee.

The tower access charges for wireless internet service providers, also known as fixed wireless broadband services, shall be one-half of the tower access charges set forth in the chart above but in any event, not less than \$50.00 per antenna. This reduced rate shall apply for no more than three years from the date of the initial structural lease agreement with each such provider.

These rates apply to towers operated by the NCBA. Rates for towers leased by the NCBA may be subject to approval by the lessor.

**Dark Fiber Leases:**

The NCBA will have a limited number of fibers available for dark fiber leasing at an annual rate of \$1250 per leased fiber per mile for durations longer than 60 months. Leases for 60 months or less will be priced at an annual rate of \$1550 per leased fiber per mile. Fiber will not be leased for periods of less than 24 months. These leases will be subject to prior allocation for other uses and are made at the discretion of the NCBA board.

**Increase in Rates:**

Rates are firm for a contract or lease term which does not exceed five years.

For contract and lease terms exceeding five years, payments shall be adjusted every year commencing with the first annual anniversary of the lease Commencement Date and thereafter on the subsequent anniversaries of that date (the Adjustment Date). Such adjustments shall be for the purpose of reflecting the increase, if any, in the cost of living. The adjustment, if any, shall be calculated based upon the United States Department of Labor, Bureau of Labor Statistics Consumer Price Index for All Urban Consumers (CPI-U) for the South, Size D-Nonmetropolitan (less than 50,000) (the "Index").

The Index published as of the most recent month prior to the Adjustment Date shall be compared with the Index twelve (12) months immediately preceding. On the Adjustment Date the annual payment shall be increased by the percentage equal to the change, if any, in the Index between the two specified months. The Adjusted payment shall then become the new Base payment for the following twelve month period and be used to calculate the next annual payment adjustment.

**Penalty and Interest:**

Any sum due NCBA and unpaid by the due date shall be assessed a 10% penalty and carry interest at the rate of 12% per annum.
