**RESOLUTION R2014-51**  
**NELSON COUNTY BOARD OF SUPERVISORS**  
**REQUEST FOR MEETING ON PROPOSED DOMINION TRANSMISSION INC.**  
**NATURAL GAS PIPELINE (SOUTHEAST RELIABILITY PROJECT)**

**WHEREAS**, the Nelson County Board of Supervisors was first informed of Dominion Transmission, Inc.'s (Dominion) proposed natural gas pipeline project on May 14, 2014; and

**WHEREAS**, said notice included a crude General Location Map of the proposed route traversing Nelson County from the Blue Ridge Mountains to the James River, some talking points, and a copy of the letter to be sent to landowners to be affected by said pipeline; and

**WHEREAS**, Dominion has failed to provide the County or its residents the rationale for the route selection; and

**WHEREAS**, Dominion has failed to provide the County or its residents technical details as to the proposed specifications for the pipeline; and

**WHEREAS**, the Nelson County Board of Supervisors has insufficient information to understand or evaluate the consequences of a project of this magnitude on Nelson County and its residents; and

**WHEREAS** the County has requested a meeting with Dominion representatives as well as a more accurate depiction of the proposed route and Dominion has failed to provide either,

**NOW THEREFORE BE IT RESOLVED**, the Nelson County Board of Supervisors requests that a representative of Dominion meet with the entire Board at the earliest possible date to fully explain the project, the proposed route, and address our questions and concerns; and that until such time as that meeting takes place, no further research or surveys be undertaken on the proposed natural gas pipeline in Nelson County.
