# Incident Objectives

1. **PUBLIC HEALTH SURVEILLANCE:** Current Surveillance (identify cases) of COVID - 19, to include the development of tracking tools and dashboards of Virginia.
2. **CONTAINMENT:** Identifying cases early and isolating them; conduct contact tracing and quarantine them.
3. **COMMUNITY MITIGATION:** Implement social distancing strategies to prevent spread.
4. **COORDINATE HEALTHCARE SERVICES.**
5. **COMMUNICATIONS:** Communicate to the public, business community, and state employees in a transparent and consistent means across state government.
6. **PLANNING:** Review, assess, and develop contingency plans for
  - a) Medical Supplies and PPE
  - b) Medical Surge
  - c) Telework
  - d) Trigger points for (A) public health emergency requiring quarantine or isolation; (B) state emergency declaration; and (C) limitations on mass gatherings, schools, and/or transportation.
  - e) COOP & COG
7. **TRAINING, EDUCATION and EXERCISE:** Identify and provide training, education and exercise materials to state employees and response partners.
8. **POLICY GUIDANCE:** Provide consistent policy guidance across state government.
9. **COSTS:** Track financial costs for COVID – 19
10. **WORKFORCE HEALTH and SAFETY:** establish appropriate measures for the safety and wellness of state workforce.

# ESF-8 Public Health & Medical Updates

- VDH has launched a revised and more interactive version of the daily [COVID-19 Cases in Virginia](#) report. Additionally, the *Weekly COVID-19 Activity Report* has been rebranded as [COVID-19 Data Insights](#), which will complement the *COVID-19 Cases in Virginia* report with more in-depth analyses. VDH will update the *COVID-19 Data Insights* as new analyses become available.
- The Office of the Governor, VDH Office of Health Equity and the VEST Health Equity Workgroup will host two upcoming webinars:
  - [Rural Community Conversation](#) – May 5<sup>th</sup> from 6:00-7:00 pm
  - [People with Disabilities Community Conversation](#) – May 6<sup>th</sup> from 6:00-7:00 pm

Current level of community transmission in Virginia:	Widespread
Number of Medical Reserve Corps (MRC) volunteers deployed on 5/1/20:	146
Number of visits made to the VDH COVID-19 website on 4/30/20:	394,044
Number of calls received by VDH (877-ASK-VDH3) and local health district call centers on 4/30/20:	526
For epidemiological data, please see the <a href="#">COVID-19 Cases in Virginia</a> report and the <a href="#">COVID-19 Data Insights</a> report.

# *ESF-8 Public Health and Medical Updates*

## **New/updated Federal resources:**

- MMWR Articles:
  - [Public Health Response to the Initiation and Spread of Pandemic COVID-19 in the United States, February 24–April 21, 2020](#)
    - Summary: Various factors contributed to accelerated spread during February–March 2020, including continued travel-associated importations, large gatherings, introductions into high-risk workplaces and densely populated areas, and cryptic transmission resulting from limited testing and asymptomatic and presymptomatic spread. Targeted and communitywide mitigation efforts were needed to slow transmission. Factors that amplified the March acceleration and associated mitigation strategies that were implemented can inform public health decisions as the United States prepares for potential re-emergences.
  - [COVID-19 Among Workers in Meat and Poultry Processing Facilities — 19 States, April 2020](#)
    - Summary: COVID-19 cases among U.S. workers in 115 meat and poultry processing facilities were reported by 19 states (Including VA). Among approximately 130,000 workers at these facilities, 4,913 cases and 20 deaths occurred. Factors potentially affecting risk for infection include difficulties with workplace physical distancing and hygiene and crowded living and transportation conditions. Improving physical distancing, hand hygiene, cleaning and disinfection, and medical leave policies, and providing educational materials in languages spoken by workers might help reduce COVID-19 in these settings and help preserve the function of this critical infrastructure industry.

# COVID-19 Workgroup Updates

- **Healthcare Coordination**
  - The Office of EMS has developed an informational [flyer](#) to help stress the importance of not delaying treatment for time-sensitive medical emergencies.
  - Medical surge planning for Department of Corrections facilities and local/regional jails is ongoing.
- **Public Health Surveillance & Guidance**
  - Technical assistance for outbreaks and point prevalence surveys (PPS) is being provided. A total of 19 PPS requests have been received to date.
  - Planning efforts are underway to expand contact tracing capacity at local health districts to complement a planned increase in testing.
- **Community Mitigation**
  - Guidance is being developed for various business and community sectors as the plan to reopen Virginia is considered.
  - Outreach with various groups (funeral directors, poultry plants, business leaders, etc.) continues.

# COVID-19 Workgroup Updates

- **Testing Capacity & Coordination**
  - A [map of testing sites in Virginia](#) is available on the VDH website. Additional sites can be added to the VDH website through submission of an online [form](#).
- **Provider Outreach & Detailing**
  - The Virginia Medical Reserve Corps (MRC) has launched a new [website](#) with step-by-step instructions, templates and resources for facilities to request MRC volunteers to support long-term care and hospital medical surge.
  - The MRC continues to recruit and deploy medical and non-medical volunteers to bolster the work of local health departments, hospitals, and healthcare providers.

		Yellow: Some Issues		
		Red: Extensive Outages		
	Motor and Heating Fuels (gas, diesel)	Green: Normal	No operational concerns at this time.	<b>Green</b>
		Yellow: Minor Issues		
		Red: Extensive Shortages		

# Regional Support East

## Region 1

Number of Cases (by Region): 2,392 cases / 177 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> <li>Identified site for Battelle System.</li> <li>Responded to urgent PPE requests from localities and coordinating supply delivery.</li> </ul>	<ul style="list-style-type: none"> <li>Coordinate Battelle delivery, installation, and messaging.</li> <li>Distribute recovery information to locals, PNPs, authorities, towns, and respond to inquiries.</li> <li>Continue to participate in hospital surge planning</li> </ul>

## Region 5

Number of Cases (by Region): 2,520 cases / 79 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> <li>PPE deliveries coordinated on 4/27.</li> <li>Emergency request for CGH.</li> <li>Conducted Region 5 Call with locality partners.</li> </ul>	<ul style="list-style-type: none"> <li>Monitoring outbreak on Eastern Shore.</li> <li>Coordinate this week's PPE deliveries.</li> <li>Continue ACF Coordination Calls.</li> <li>Coordinate Battelle System.</li> <li>Monitor critical PPE needs.</li> <li>Maintain coordination with VDH.</li> </ul>

## Region 7

Number of Cases (by Region): 8,912 cases / 255 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> <li>Fielded questions from localities regarding order process.</li> <li>Worked to clarify recovery guidelines</li> <li>Progressing through ACF modeling using new modeling data</li> </ul>	<ul style="list-style-type: none"> <li>Local Emergency Managers call to coordinate reopening considerations.</li> <li>NVHA receiving a shipment of PPE at the NVERS warehouse.</li> </ul>

# Regional Support West

## Region 2

Number of Cases (by Region): 1,101 cases / 19 fatalities

### Accomplishments

- Maintained situational awareness of current severe weather threats and regional power outages
- Coordinated resource requests at the regional level.

### Significant Activity Next 24-72 Hours

- Coordinate PPE requests at the regional level.
- Accepting and distributing PPE.
- Coordinating and supporting localities and regional partners.
- Planning support to localities for Mass Fatality, Congregate Sheltering and PPE acquisition.
- Development of a regional dashboard.

## Region 3

Number of Cases (by Region): 1,411 cases / 38 fatalities

### Accomplishments

- Worked with VDEM Grants as well as individuals from public schools, local governments and correctional institutions on initial damage assessment activities including an explanation of FEMA policies under the Public Assistance Program.
- National Guard CBRN team conducted PPE training at a LTCF in Albemarle, currently 450 training and ongoing.
- Agreement completed with VANG to utilize Lynchburg Armory for R3 PPE POD.
- Conducted weekly call with local EMs and Health Partners.

### Significant Activity Next 24-72 Hours

- Communicate with local emergency managers who have not entered initial damage assessment information into Virginia PA.
- Monitoring large outbreak at a correctional facility in Buckingham County.
- Working with COVID-19 UC, Health Equity WG, and City of Harrisonburg to conduct community outreach and distribute masks and hand sanitizer to at risk populations

# Regional Support West

## Region 4

Number of Cases (by Region): 169 cases / 6 fatalities

### Accomplishments

- Worked with VDEM Grants as well as individuals from public schools, local governments and correctional institutions on initial damage assessment activities.
- Worked on an approved mask list for the Battelle System.

### Significant Activity Next 24-72 Hours

- Communicate with all local emergency managers who have not entered initial damage assessment information into Virginia PA.

## Region 6

Number of Cases (by Region): 396 cases / 7 fatalities

### Accomplishments

- Transferred execution of PPE distro to VANG LNO.
- Worked with VA Tech to put MOU in place for Battelle.
- Conducted conference calls with regional stakeholders.
- Provided Materials Support to Floyd Co.

### Significant Activity Next 24-72 Hours

- Work to implement test courier – VANG
- Execute implementation of Battelle System at VA Tech.
- Support local fatality management planning.
- Coordinate with VDH/NSPA to support LTCs.
- Assist in Floyd Co. Cyber Incident.
