Incident Objectives

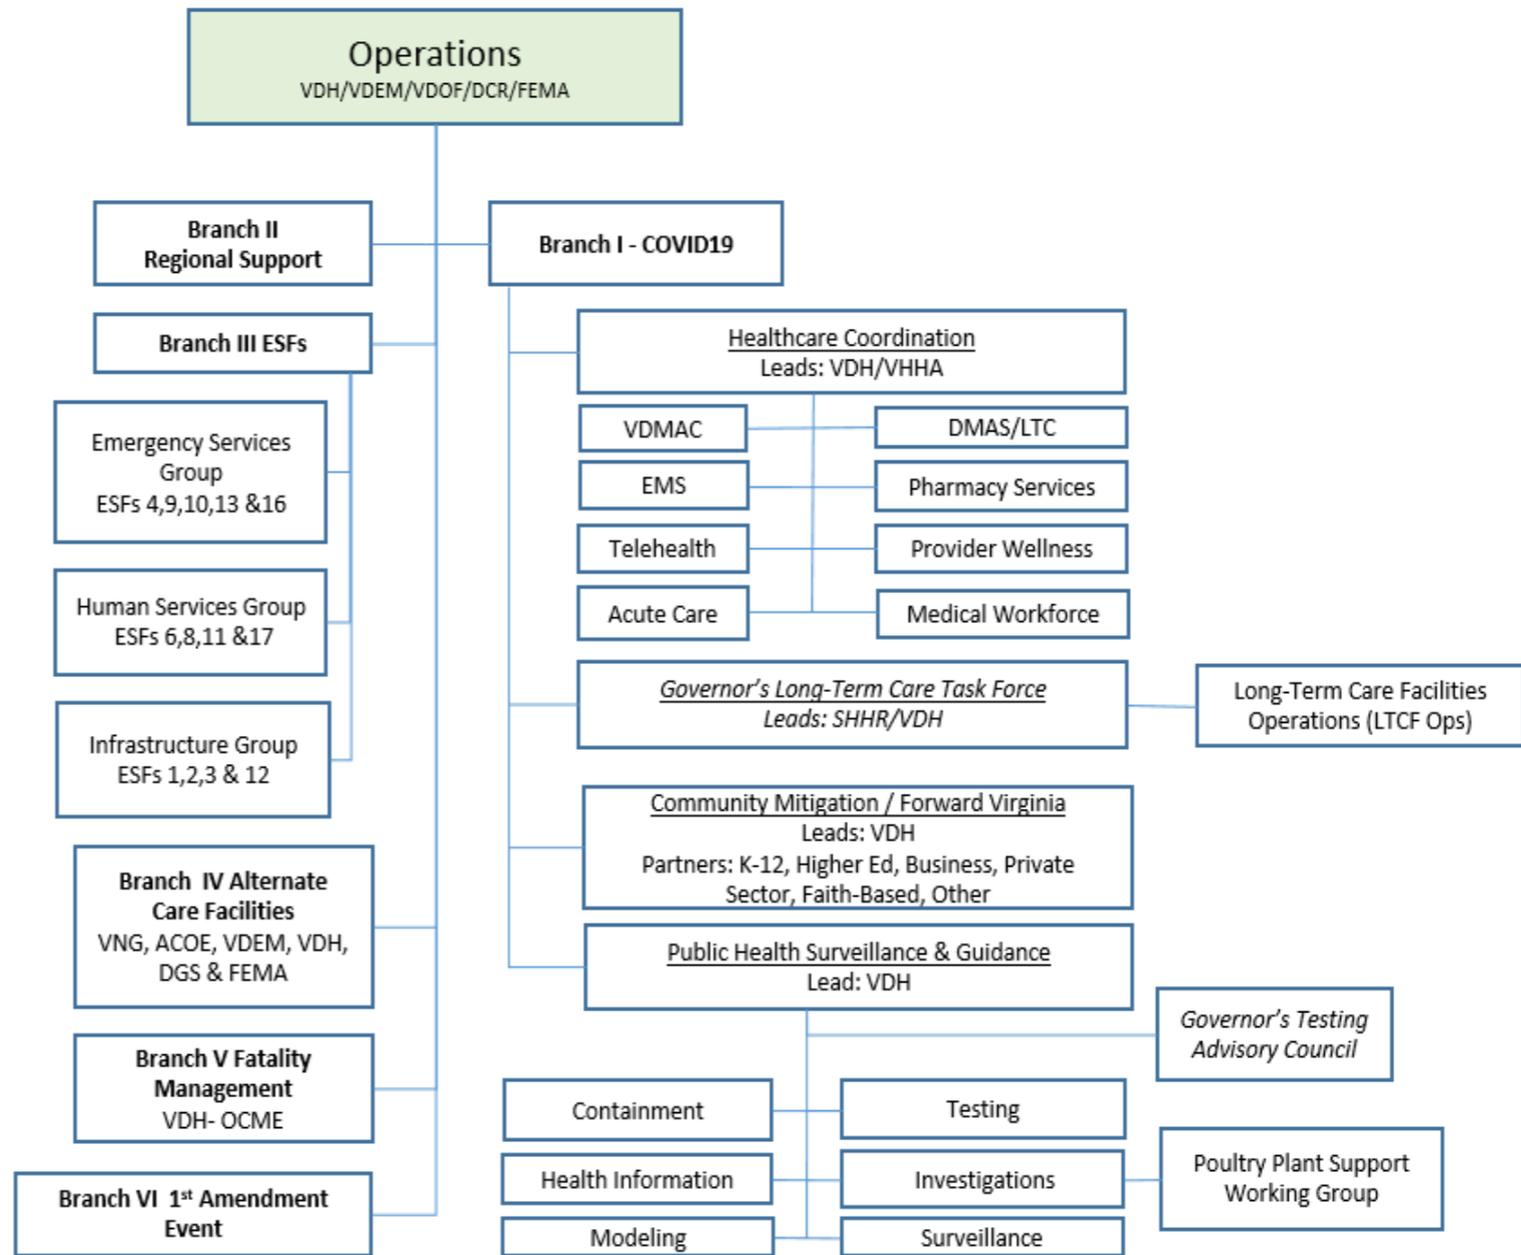

1. **TESTING:** Develop community testing and point prevalence surveillance strategies in accordance with the Governor's priorities.
2. **CONTACT TRACING:** Develop a contact strategy to keep the rate of spread within the capability of existing healthcare capacity.
3. **MEDICAL SURGE:** Continue to support and refine medical surge plans in collaboration with hospitals, long-term care facilities, correctional facilities and other congregate settings in the community.
4. **EQUITY: EQUALITY AND ETHICAL CONSIDERATIONS:** Ensure all operations are actively centered on and consider impacts to the most under resourced individuals and communities. Integrate, prioritize, measure, and validate equitable and ethical practices for all response and recovery decisions, actions, and resource allocation.
5. **SUPPLY CHAIN MANAGEMENT:** Maintain and adapt strategies to ensure supplies of goods and materials can meet an evolving demand environment.
6. **FEDERAL AID AND RECOVERY PROGRAMS:** Begin working with local governments and other eligible applicants for federal aid.
7. **SUSTAINMENT:** Prepare to maintain operations for the remainder of the year and respond to any secondary outbreaks and other emergencies.
8. **SAFETY:** Keep the citizens of the Commonwealth's health and safety and that of incident personnel a top priority in all decisions and actions.

ESF-8 Public Health and Medical Updates

- On July 2, The U.S. Food and Drug Administration issued an [Emergency Use Authorization \(EUA\)](#) for a Point-of-Care COVID-19 antigen diagnostic test, the BD (Becton Dickinson) Veritor System for Rapid Detection of SARS-CoV-2. This is the second antigen test the FDA has authorized for the detection of SARS-CoV-2 antigens.

Number of COVID-19 testing sites in Virginia as of 7/08/20:	420
Number of Medical Reserve Corps (MRC) volunteers deployed on 7/6/20 – 7/7/20:	292
Number of visits made to the VDH COVID-19 website on 7/6/20 – 7/7/20:	294,036
Number of calls received by VDH (877-ASK-VDH3) and local health district call centers on 7/6/20 – 7/7/20:	750

COVID-19 Workgroup Updates

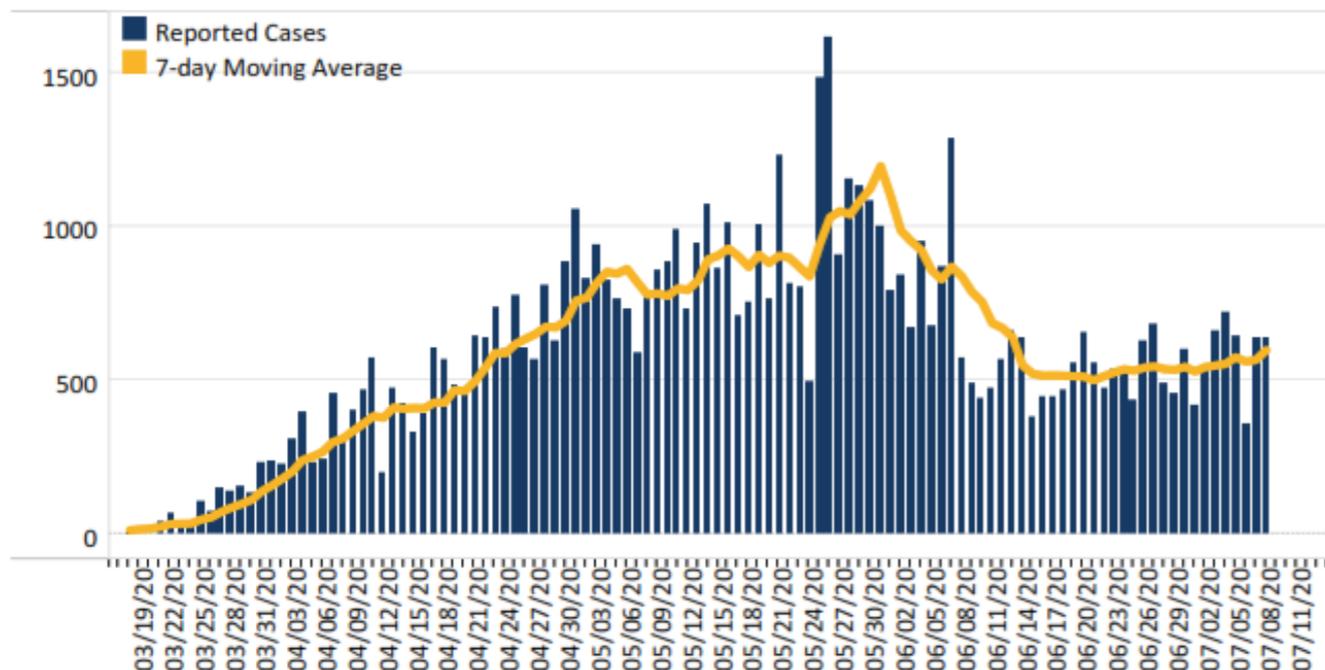

- **Healthcare Coordination**
 - Efforts continue to further expand pharmacy-based testing capacity. Pharmacy reimbursement for testing is being addressed with insurers and other stakeholders.
 - DMAS has contracted a vendor to process payments for COVID-19 testing in Assisted Living and Nursing Facilities.
- **Public Health Surveillance & Guidance**
 - Workgroup continues to ensure that case investigation, contact tracing, monitoring, point prevalence surveys, and public health and commercial laboratory testing efforts are expanded through additional staffing, resource acquisition, and public outreach and education.
 - As of July 7, the Virginia National Guard has collected 80,457 test samples and completed 296 testing missions, including 296 point prevalence surveys and 41 community events.
 - Local health districts are actively conducting community testing events across the state with a particular emphasis on reaching underserved, vulnerable and high-risk populations.
 - Today, the containment team held a tabletop exercises with UVA and the Thomas Jefferson Health District on contact tracing in preparation for the coming school year.
 - Federal contracts for testing with Rite Aid and Walmart, originally set to expire 6/30/20, have been extended.

COVID-19 Workgroup Updates

- **Community Mitigation**
 - The VDH [website](#) continues to be maintained with guidance for schools, workplaces and other community settings.
 - Regional webinars to connect K-12 schools & local health departments to discuss reopening plans have been scheduled in the Southwest region for July 8, and Central region for July 9.
 - The Workgroup wrote FAQs to accompany Phase 3 Guidelines. The FAQs will be published to the Governor's Website.
- **Governor's Long-Term Care Task Force**
 - The Veterans Health Administration teams continue to provide non-regulatory infection prevention and control assessments (IPCAs) in long-term care facilities.
 - [FAQs for nursing home phased reopening](#) were posted on July 3rd.
 - VDH's state-specific [guidelines for nursing home reopening](#) are now available. The Virginia Department of Social Services (VDSS) has developed [recommendations for assisted living facilities](#).
 - VDH is now releasing [facility-specific data](#) regarding COVID-19 cases and deaths associated with long-term care facilities.
 - Today, Task Force leadership met with the VHHA, VHCA, and Leading Age Virginia to determine whether VDH and/or the VHHA need to update recommendations for hospitals pertaining to testing patients being discharged to long-term care facilities. Leadership also met with long-term care facility providers to identify additional clinical gaps to care.

		Yellow: Supporting VEST Missions		
Red: Unable to Support Missions				

Regional Support East

VDEM Region 1

Number of Cases (by Region): 11,094 cases / 364 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> Chesterfield Battelle Site has processed 20,113 N95 masks to date. Processing resource requests for PPS testing at LTC facilities at the request of local health districts and VANG. Ongoing/active testing sites in multiple localities (community accessible and hospitals). 	<ul style="list-style-type: none"> Distribute thermometers to localities and Collages/ Universities. Continue to distribute recovery information to locals, PNPs, authorities, towns, and respond to inquiries. Coordinating health equity projects in multiple localities.

VDEM Region 5

Number of Cases (by Region): 8,769 cases / 232 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> PPE deliveries to Localities, ALF, and Health Districts coordinated regularly. Coordinated the Hurricane/COVID call on 6/3/20 Region 5 Coordination Call held on 6/22. Battelle System in Newport News operational Held hurricane evacuation coordination workgroup meeting 6/24. Hurricane Evacuation Coordination Meeting with NC/VA 6/17/20 	<ul style="list-style-type: none"> Maintain coordination with VDH. Monitor PPE Critical Status. Coordinate PPE WebEOC requests with localities. Coordinate PA calls/Update localities on cost recovery Coordinate PPS testing with VANG and VDH

VDEM Region 7

Number of Cases (by Region): 34,233 cases / 977 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> Participating in health equity calls Surge capacity team meeting Developed Long Term Operations Plan. 	<ul style="list-style-type: none"> Continue to support Mass Testing events Managing PPE Distribution through the NVERS Warehouse. Northern Virginia will officially enter Phase Two of Forward Virginia as of midnight on June 12

Regional Support West

VDEM Region 2

Number of Cases (by Region): 5,390 cases / 140 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> Maintained Situational Awareness of current severe weather threats and regional power outages. Coordinated resource requests. Continue to maintain situational awareness and assist localities with liaison support and facilitating resource requests for First Amendment Events. 	<ul style="list-style-type: none"> Develop strategies for communicating Recovery/Reimbursement information to localities and partners. Coordinate PPE Requests. Coordinating with VAARNG and VDH for testing capabilities. Maintain SA and provide reporting on COVID-19 related data in Region 2. Support localities and partners as requested. Develop and acquire resources to maintain regional resiliency. Continue to assist the localities with liaison support and facilitating resource requests for future planned First Amendment Events. Several ongoing VANG PPS Missions.

VDEM Region 3

Number of Cases (by Region): 4,560 cases / 109 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> Completed PPE Distribution. Coordinated PPS testing requests. Coordinated resource requests. POD had demobilized Region 3 conference call discontinued 	<ul style="list-style-type: none"> Coordinating PPE requests and deliveries. Working with local EMs and agencies to ensure PPE needs and burn rate information is kept current. Providing information and answering questions regarding the new recovery process. National Guard coordinating PPS testing. N95 fit testing, PPS testing, and community testing is being conducted throughout the region. Monitoring protests and rallies throughout Region 3

Regional Support West

VDEM Region 4

Number of Cases (by Region): 1,013 cases / 39 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> Worked with VDEM PA Grants as well as individuals from public schools, local governments and correctional institutions on initial damage assessment activities. Worked on an approved mask list for the Battelle System. Working with numerous LTC & DOC facilities to enter PPS requests for VANG to complete. 	<ul style="list-style-type: none"> Communicate with all local emergency managers who have not entered initial damage assessment information into Virginia PA.

VDEM Region 6

Number of Cases (by Region): 2,316 cases / 44 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> Facilitated legislative/VARNG TAG visit to NRV HD. Implemented Battelle System at Virginia Tech. Conducted conference calls w/ regional stakeholders. Implemented Courier System for test samples VDH/VARNG. In-processed new VARNG LNO. 	<ul style="list-style-type: none"> Providing information to all stakeholders on PPE process. Supporting testing initiatives across VDH/VARNG/localities. Support local fatality management planning efforts. Coordinate w/VDH/NSPA to support LTCs. Coordinating fit testing support. Support VDH Epi Investigation conflicts. Initiating delivery services for PPE via VARNG
