Incident Objectives

1. **TESTING:** Develop community testing and point prevalence surveillance strategies in accordance with the Governor's priorities.
2. **CONTACT TRACING:** Develop a contact strategy to keep the rate of spread within the capability of existing healthcare capacity.
3. **MEDICAL SURGE:** Continue to support and refine medical surge plans in collaboration with hospitals, long-term care facilities, correctional facilities and other congregate settings in the community.
4. **EQUITY: EQUALITY AND ETHICAL CONSIDERATIONS:** Ensure all operations are actively centered on and consider impacts to the most under resourced individuals and communities. Integrate, prioritize, measure, and validate equitable and ethical practices for all response and recovery decisions, actions, and resource allocation.
5. **SUPPLY CHAIN MANAGEMENT:** Maintain and adapt strategies to ensure supplies of goods and materials can meet an evolving demand environment.
6. **FEDERAL AID AND RECOVERY PROGRAMS:** Begin working with local governments and other eligible applicants for federal aid.
7. **SUSTAINMENT:** Prepare to maintain operations for the remainder of the year and respond to any secondary outbreaks and other emergencies.
8. **Safety:** Keep the citizens of the Commonwealth's health and safety and that of incident personnel a top priority in all decisions and actions.

ESF-8 Public Health and Medical Updates

- On June 16, Governor Northam announced that Virginia will NOT enter Phase Three of reopening this Friday, citing the need to review more COVID-19 case data before making that determination. Additional details on Phase Three are expected to be released on Thursday, June 18.

Number of COVID-19 testing sites in Virginia as of 6/17/20:	378
Number of Medical Reserve Corps (MRC) volunteers deployed on 6/15/20 – 6/16/20:	353
Number of visits made to the VDH COVID-19 website on 6/15/20 – 6/16/20:	318,989
Number of calls received by VDH (877-ASK-VDH3) and local health district call centers on 6/15/20 – 6/16/20:	1,293

COVID-19 Workgroup Updates

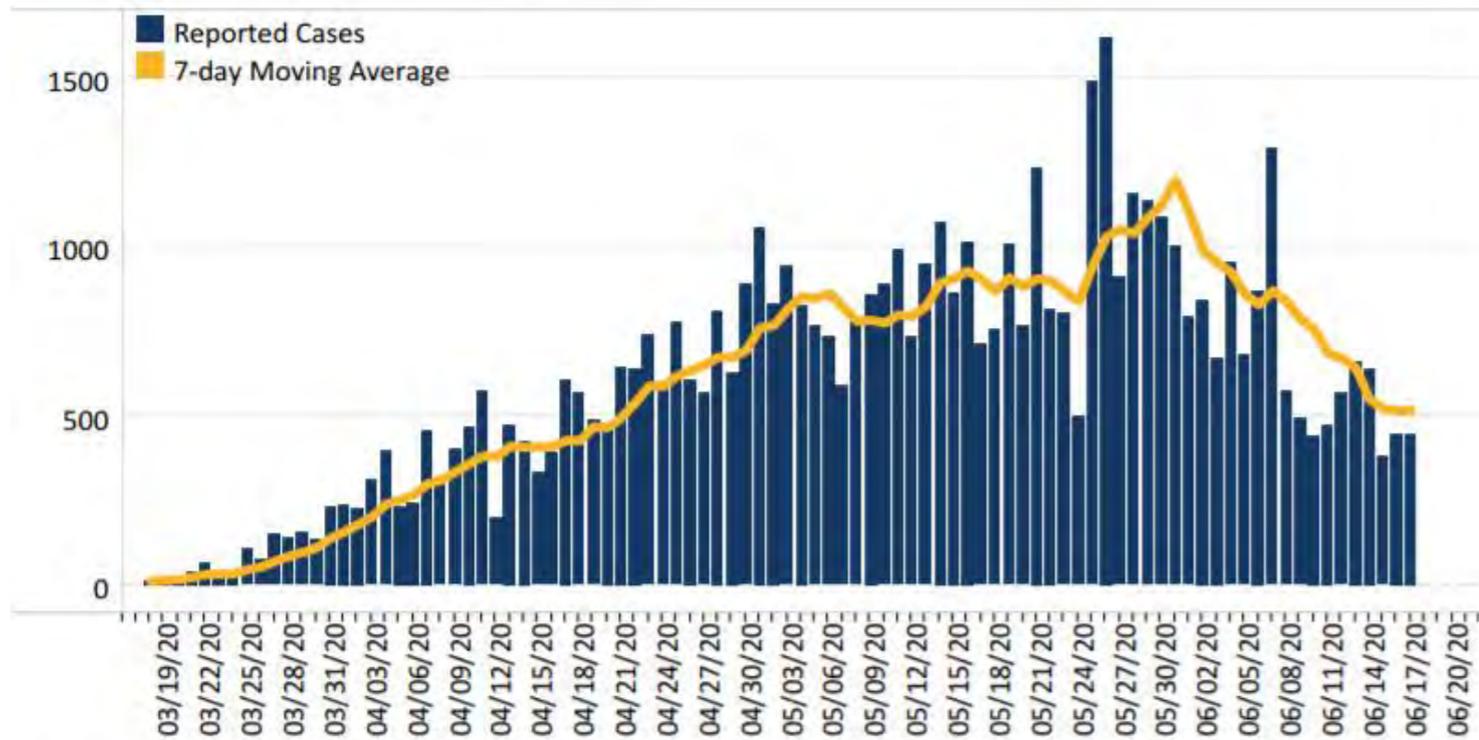

- **Healthcare Coordination**
 - Efforts continue to further expand pharmacy-based testing capacity.
- **Public Health Surveillance & Guidance**
 - Workgroup continues to ensure that case investigation, contact tracing, monitoring, point prevalence surveys, and public health and commercial laboratory testing efforts are expanded through additional staffing, resource acquisition, and public outreach and education.
 - As of 6/16, the Virginia National Guard has collected over 44,614 samples and completed 135 testing missions, including 104 point prevalence surveys and 31 community events.
 - Local health districts are actively conducting community testing events across the state with a particular emphasis on reaching underserved, vulnerable and high-risk populations. Between June 13-20, 17 testing events have been scheduled (estimated total of 5,200 tests).
- **Community Mitigation**
 - The VDH [website](#) continues to be maintained with guidance for schools, workplaces and other community settings.
 - Phase 3 guidance is in development in collaboration with the Governor's office.

COVID-19 Workgroup Updates

- **Governor's Long-Term Care Task Force**
 - Point Prevalence Surveys (PPS) continue to be conducted at long-term care facilities.
 - The Center for Medicare and Medicaid Services (CMS) has released guidance and recommendations pertaining to the phased reopening of nursing homes, which is guided by baseline and regular testing of all residents and staff.
 - The guidance document for Virginia's phased reopening and testing processes for long-term care facilities is being reviewed by the Governor's office.
 - The U.S. Department of Health and Human Services (HHS) is deploying teams of infection prevention and control specialists to Virginia within the next week. The teams will help provide non-regulatory infection prevention and control assessments (IPCAs) in long-term care facilities who need these to progress through the nursing home reopening phases. Moreover, the facilities can take advantage of the HHS IPCA teams to provide specialized attention, facility specific solutions, ensure readiness for inspection, and provide feedback ahead of regulatory CMS surveys. Facilities are currently being scheduled for these voluntary assessments.

Providing information and answering questions regarding the recovery process National Guard coordinating Fit Testing and PPS testing within Region N95 fit testing, PPS testing and community testing is being conducted throughout the region. Monitoring protests and rallies in Region 3 Monitoring rain and potential flooding

Regional Support West

VDEM Region 4

Number of Cases (by Region): 711 cases / 11 fatalities

Accomplishments

- Worked with VDEM Grants as well as individuals from public schools, local governments and correctional institutions on initial damage assessment activities.
- Worked on an approved mask list for the Battelle System.

Significant Activity Next 24-72 Hours

- Communicate with all local emergency managers who have not entered initial damage assessment information into Virginia PA

VDEM Region 6

Number of Cases (by Region): 982 cases / 37 fatalities

Accomplishments

- Facilitated legislative/VARNG TAG visit to NRV HD.
- Implemented Battelle System at Virginia Tech.
- Conducted conference calls w/ regional stakeholders.
- Implemented Courier System for test samples VDH/VARNG.
- In-processed new VARNG LNO.

Significant Activity Next 24-72 Hours

- Providing information to all stakeholders on PPE process.
- Supporting testing initiatives across VDH/VARNG/localities.
- Support local fatality management planning efforts.
- Coordinate w/VDH/NSPA to support LTCs.
- Coordinating fit testing support.
- Support VDH Epi Investigation conflicts.
- Initiating delivery services for PPE via VARNG

VDEM Recovery Dashboard #12 – June 16, 2020 – COVID-19 Event, DR-4512-VA

This product is designed to highlight key open source reporting on significant events for VDEM executive leadership.
Information cut off time: 1500 Hrs

VEOC Status: Partial Activation

State Declaration: March 13, 2020

Major Disaster Declaration : January 20 - ongoing

VDEM Actions

- FEMA/VDEM Virtual JFO leadership are holding PA calls on Mondays, Wednesdays and Fridays.
- Recovery Section Chiefs participating on CRC calls with Regional Support every Friday.

Public Assistance (PA) Updates:

- Applicants will have 30 Days from the end date of the Public Health Emergency to enter an RPA
- The Applicant Briefing presentation is posted on the [VDEM Coronavirus website](#).
- Working with FEMA to assign PDMGs (Program Delivery Managers) to Applicants that have requested customer service assistance throughout the PA Process.
- Applicants can continue to email Recovery at Recovery@vdem.virginia.gov to request a PDMG

FEMA Non-congregate Sheltering Approvals:

- FEMA Statewide approval for homeless populations
 - Extended through July 12, 2020
- FEMA Statewide approval for first-responders
 - Extended through June 16, 2020
 - Extension request pending

FEMA Hazard Mitigation Grant Program Request:

Pending

FEMA Individual Assistance (IA) Requests:

- Crisis Counseling
 - Awarded by FEMA on May 27th
 - Period of performance ends June 29th
- Disaster Unemployment Assistance
- Disaster Case Management
- Other Needs Assistance (ONA)
- Temporary Sheltering Assistance
