

# Nelson County Emergency Services

The Nelson County Emergency Services department wants to help anyone who might need special attention during a disaster. If you or anyone you know has Dementia/Alzheimer's, special needs, has accessibility/mobility issues, is on oxygen, uses refrigerated medication, or any other information we might need during an emergency. Please email [mvia@nelsoncounty.org](mailto:mvia@nelsoncounty.org) or contact us at 434-263-7050, so we can help you. When emailing or calling, please give your address, name, phone number and what attention is needed so we can assist you properly.
