Important Note: If submitting an electronic response in eVA, please ensure that it is submitted to the latest version of the solicitation.

Addendum #2 supplements, modifies, deletes from, or adds to the original Invitation for Bid (IFB) noted above and all of the requirements of the addendum are herein made a part of the IFB and any resulting contract documents. Please sign and return this addendum with your bid response.

USE OF BRAND NAMES: Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article which the public body, in its sole discretion, determines to be the equivalent of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The bidder is responsible to clearly and specifically identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable the County to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid nonresponsive. Unless the bidder clearly indicates in its bid that the product offered is an equivalent product, such bid will be considered to offer the brand name product referenced in the solicitation.

My signature below acknowledges receipt of this Addendum and certifies that my bid submission includes all information, modifications, additions or deletions pertaining to the Addendum and the IFB.
