

Transportation Assistance Fund

What is TAF?

The Transportation Assistance Fund (TAF) helps eligible older adults and people with disabilities pay for transportation when no other suitable transportation option is available.

Who is eligible?

To be eligible to receive TAF assistance, the applicant must meet the following criteria:

- Resident of the City of Charlottesville or Albemarle, Fluvanna, Greene, Louisa, or Nelson County.
- Be 65+ years of age or have a disability.
- The transportation request cannot be fulfilled using public transit, family, a friend, or a volunteer driver.
- Does the person meet the income eligibility requirements below?

Other ways PATH can help

- Call the **PATH Helpline** to get information about all public transportation services available in Charlottesville and the counties of Albemarle, Fluvanna, Greene, and Nelson
- Set up a free **transportation workshop** where you can learn how to use public transit and what transportation options are available in your area
- Partner with PATH to **start a new Volunteer Driver Program** in your area. When no other options are available, a volunteer driver program is the best solution to address existing transportation gaps through community engagement. PATH can provide technical assistance and mileage reimbursement for volunteer drivers.

Partnership for Accessible Transportation Help (PATH), is a mobility management program that helps residents navigate and access transportation options throughout Virginia's Planning District 10.

PATH serves Charlottesville and the counties of Albemarle, Fluvanna, Greene, Louisa, and Nelson, with a special focus on older adults and people with disabilities. Through personalized transportation counseling, workshops, travel training, and coordination with community partners, PATH helps residents identify transportation solutions that support mobility and independence.
