# VDEM Recovery Dashboard #10 – August 20, 2020: First Amendment Event (State Public Assistance)

This product is designed to highlight key open source reporting on significant events for VDEM executive leadership.  
Information cut off time: 1700 Hrs

VEOC Status: Partial Activation

State Declaration: May 31, 2020

## Event Summary:

- On May 31, 2020 Governor Northam declared a State of Emergency for the Commonwealth of Virginia in response to widespread First Amendment protests and civil unrest.
- The initial amount available for State Public Assistance (SPA) is written in the Executive Order.
- Grants and Recovery conducted five webinars to discuss the Cost Recovery process to submit damage assessments related to this event.
- There were approximately 250 attendees across all webinars
- There is event-specific website posted at <https://vaemergency.gov/first-amendment-june-2020>
- The event is ongoing as of June 10, 2020.
- The First Amendment Executive Order was extended for another 30 days.

## Public Assistance (PA) Updates:

- State Agencies and Localities that intend to submit damage assessments in VirginiaPA.org for this SPA event should email Recovery at [Recovery@vdem.virginia.gov](mailto:Recovery@vdem.virginia.gov).
- Initial State Public Assistance (SPA) Damage Assessments are **due by Friday June 12, 2020**
- For information and step-by-step instructions on how to submit your Damage Assessment, please visit <https://vaemergency.gov/first-amendment-june-2020>
- Please reach out to your Grant Administrator or Recovery for technical assistance in completing damage assessment's online.
- Threshold for potential state assistance to localities is set to \$4.00 X (2010 Census Population) and is at the Governor's Discretion.
- Reimbursements through SPA are subject to review for completeness for supporting documentation.
- All potential reimbursements will be validated following initial damage assessment submissions.

Applicants	Initial Estimate	VDEM Validated Amount	Threshold Met Based on Validated Costs
<b>State Agencies as Potential SPA Applicants</b>			
DMA	\$2,310,787.00*	\$1,357,947.36	
VSP	\$5,781.29	TBD	
DCP	\$240,500.00	TBD	
DGS	TBD	TBD	
VCU	\$155,484.00	\$100,000	
Central Virginia Community College	\$1,135.80	\$378.00	
VDEM	\$107,804.00	TBD	
VMFA	\$9,075.59	\$9,075.27	
<b>Localities as Potential SPA Applicants</b>			
VDEM Region 1 (9 localities)	\$1,862,754.96	TBD	1/9
VDEM Region 2 (12 localities)	\$436,445.58	\$322,248.28	1/12
VDEM Region 3 (10 localities)	\$0.00	TBD	N/A
VDEM Region 4 (11 localities)	\$0.00	TBD	N/A
VDEM Region 5 (16 localities)	\$496,663.78	\$180,373.87	0/16
VDEM Region 6 (12 localities)	\$65,131.95	\$65,019.75	0/12
VDEM Region 7 (16 localities)	\$86,551.20	\$86,551.20	0/16
<b>86 localities, 6 state agencies = 92</b>	<b>\$5,776,979.35</b>	<b>\$2,121,593.73</b>	

\*All figures are initial estimates until further validation from VDEM occurs, which will require a thorough documentation review. During that time VDEM will validate and finalize all potential SPA Applications.

Updated as of 4:00 PM 8/27/2020

[VHHA COVID-19 Trend Data on AGOL](#)

Data publicly available at [VHHA Dashboard](#)

# *Incident Objectives*

- **TESTING:** Further develop and implement a sustainable infrastructure that supports public health and private sector SARS-CoV-2 testing strategies.
- **SURVEILLANCE AND INVESTIGATION:** Continue to conduct surveillance, case investigation and contact tracing to contain the spread of SARS-CoV-2.
- **COMMUNITY MITIGATION:** Based on review of public health data, continue to evaluate the need for implementation of community mitigation strategies (e.g. face coverings, physical distancing, etc.) in communities experiencing moderate-substantial community transmission. Continue to provide public health consultation on plans to implement risk mitigation strategies in community settings.
- **BEHAVIORAL AND MENTAL HEALTH:** Develop and support strategies that mitigate the impact of stressors on the public and healthcare providers/first responders (i.e. deteriorating health of self, loved one, or patients; job loss; disruption in daily activities).
- **MEDICAL SURGE:** Continue to support and refine medical surge plans in collaboration with hospitals, long-term care facilities, correctional facilities and other congregate settings.
- **MEDICAL COUNTERMEASURES:** Develop a plan and prepare for the statewide distribution of and dispensing of COVID-19 vaccines (and /or other medical countermeasures, e.g. antivirals).
- **RESOURCE MANAGEMENT:** Maintain and adapt strategies to ensure supplies of goods and services can meet an evolving demand environment. (i.e. new community spread or a second wave). Commence stockpiling of PPE, laboratory testing equipment, vaccination ancillary supplies and/or other medical goods for future response.
- **PUBLIC COMMUNICATIONS:** Develop and implement appropriate communications and media campaign strategies to inform the response of partners and the general public (i.e. provider training, business planning, getting tested, wearing a mask/social distancing, and vaccination).
- **OPERATIONAL FLEXIBILITY:** Be prepared to respond simultaneously to additional threats to include hurricanes and other weather related events in the SARS-CoV-2 environment.
- **RECOVERY:** Return economic, employment and business activities to a healthy state and restore and improve health and social services capabilities and networks to promote the resilience, independence, health (including behavioral health), and well-being of the whole community.

# COVID-19 Organizational Chart

## Healthcare Coordination

- The Testing Team is in the process of establishing contracts for specimen collection turnkey services and testing capabilities for use by the VDH central office and the local health districts. Contracts should be reviewed and available by early next week.
- The Testing Team will be meeting to discuss vulnerable and at-risk populations within the statewide COVID testing strategy. We will discuss our testing strategies and coordinate our existing resources/information to collaborate on best practices that can be shared with our partners.
- Testing turnaround times have improved since mid July: Commercial average down from 5-6 days to 2-3. Could be because of less demand (less cases now in VA), and additional point of care testing.
- Participating in workforce planning for the deployment of medical and pharmacy students to support COVID-19
- On 8/19/20, HHS issued a third amendment of the Public Readiness and Emergency Preparedness (PREP) Act which aims to expand access of vaccine to children during this pandemic. The amendment authorizes pharmacists (and pharmacy interns under supervision of Board-registered pharmacist) to order and administer vaccines to children 3-18 years of age pursuant to additional requirements such as completing an accredited training program, holding current CPR certification, complying with any state reporting requirements, and providing education on importance of pediatric well-visits. Counsel to Board of Pharmacy is currently reviewing the HHS allowance to determine what impact, if any, it has on current state allowances. VDH will work with DHP on the development of any guidance documents/FAQs for dissemination to licenses after receiving board counsel's advice.
- As of 8/19/20, HHS has allocated 38,262 cases (1,530,480 vials; ~244,877 treatment courses) of commercially available remdesivir. 12,000 of which are being prepared for distribution during Week 7 (August 24-30, 2020)
- On 8/25/20, CMS published an interim final rule establishing nursing home testing requirements for staff and residents. Task Force leadership is reviewing these requirements to determine how to further support Virginia's nursing homes and their residents.

## Public Health Surveillance and Guidance

- The Vaccination Unit is actively developing plans and preparing for the statewide distribution and dispensing of anticipated COVID-19 vaccines in collaboration with CDC and other Federal partners. A statewide influenza vaccination campaign is also being planned.
- On 8/24/20, the Investigation Team held a coordination meeting with DBHDS and various VDH groups to improve communication and coordination for investigations in DBHDS facilities.
- The Containment Team is facilitating and participating in ongoing discussions between the Community Health Services and Health Equity teams to identify wrap-around services.
- Beginning 8/27/20, the Surveillance Team will begin to operate under the new case definition. Case definition materials have been shared with local health districts.
- The Health Information team are drafting and reviewing recommendations for Teachers as critical infrastructure and the impact on I/Q recommendations.
- Utilization of COVIDWISE is increasing. 50% of people receiving a PIN for COVIDWISE are following instructions to enroll.

## Community Mitigation

- The VDH website continues to be updated and maintained with [guidance for schools, workplaces and other community locations](#).
- The workgroup continues to collaborate with other workgroups, the Governor's Office and community stakeholders to develop guidance for reinstating community mitigation measures.

# COVID-19 Workgroup Updates

## New / Updated Virginia Guidance

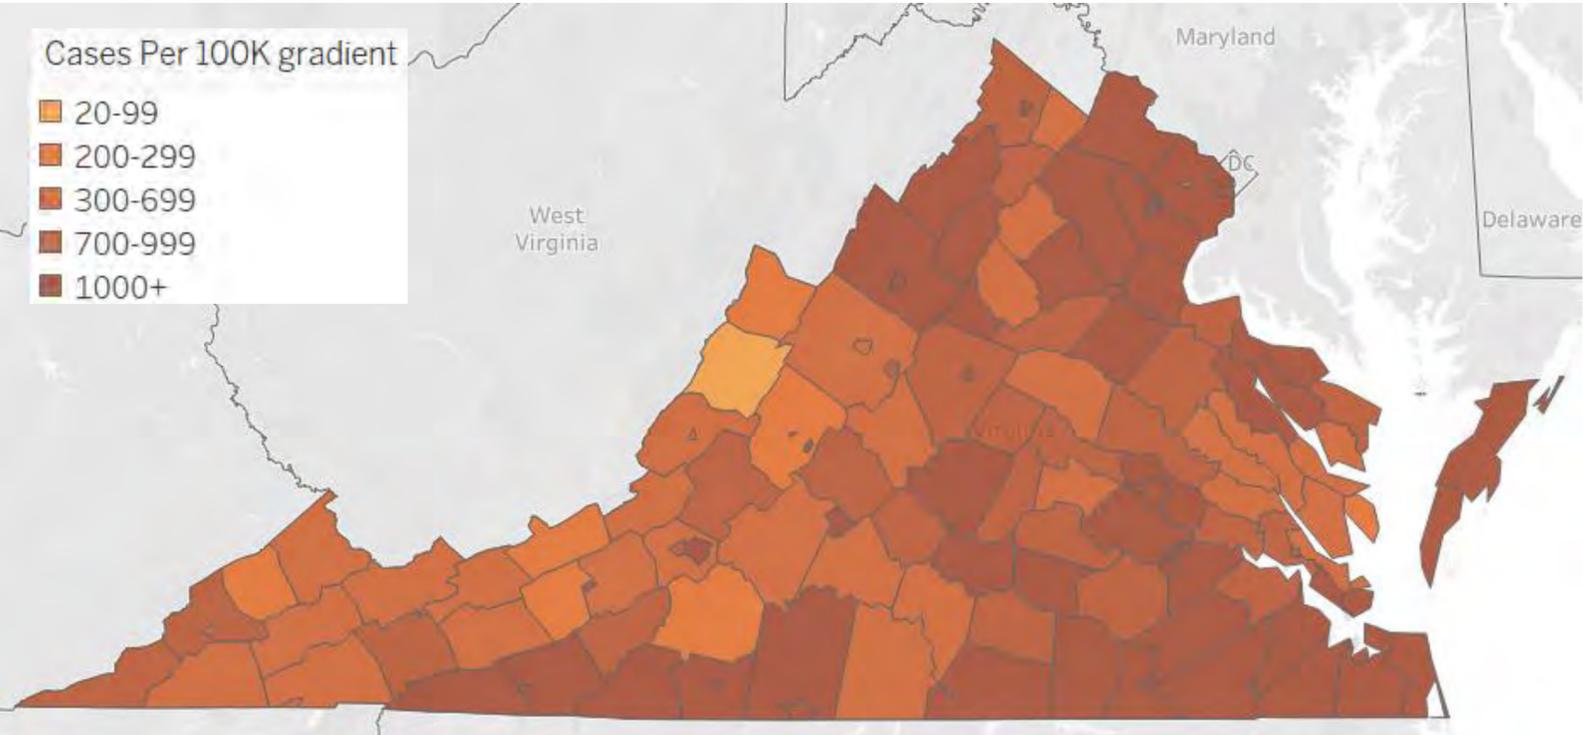

- [VDH Algorithm for Evaluating a Child with COVID-19 Symptoms or Exposure](#)
- [Recommendations for Hospitalized Patients Being Discharged to a Long-Term Care Facility During the COVID-19 Pandemic](#)
- Under [K-12 education](#), added a new tab called "Resources for Teachers."
- [SARS-CoV-2 Testing Capabilities at Commercial and Private Labs](#)
- [Data Dashboard](#) updates
  - All dashboards that used to be 'tabs' are now their own separate pages to improve and enhance efficiency and speed of data loading onto the VDH website.
  - Addition of a COVID-19 summary page with main indicators/metrics that the public follows in one place.
  - Addition of a new metric about the number of new cases in the past 24 hours on the 'Summary' and 'Cases' page.

## New / Updated Federal Guidance

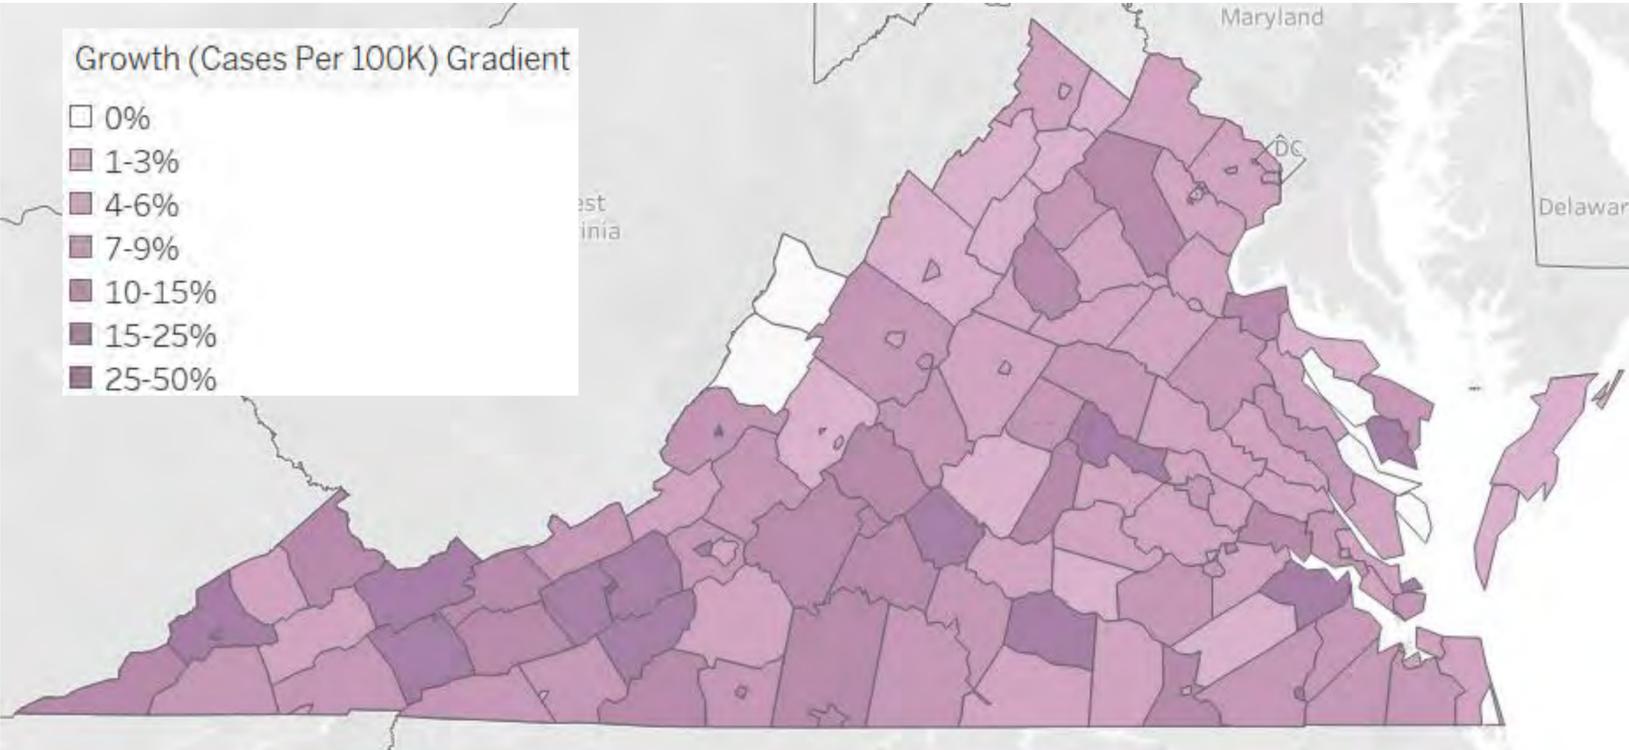

- [Operating schools during COVID-19: CDC's Considerations](#)
- [Limiting Workplace Violence Associated with COVID-19 Prevention Policies in Retail and Services Businesses](#)
- [Preparing K-12 School Administrators for a Safe Return to School in Fall 2020](#)
- [Operational Considerations for Adapting a Contact Tracing Program to Respond to the COVID-19 Pandemic](#)
- [Overview of Testing for SARS-CoV-2 \(COVID-19\)](#)
- [Interim Additional Guidance for Infection Prevention and Control Recommendations for Patients with Suspected or Confirmed COVID-19 in Outpatient Hemodialysis Facilities](#)
- [COVID-19 Guidance for Shared or Congregate Housing](#)
- [CDC COVID-19 Response Health Equity Strategy: Accelerating Progress Towards Reducing COVID-19 Disparities and Achieving Health Equity](#)
- [COVID-19 Update: FDA Authorizes First Diagnostic Test Where Results Can Be Read Directly From Testing Card](#)
- [FDA Issues Emergency Use Authorization for Convalescent Plasma as Potential Promising COVID-19 Treatment](#)
- [HHS Expands Access to Childhood Vaccines during COVID-19 Pandemic](#)

# Statewide View: Cases and Growth (as of 8/26)

# Statewide View: Outbreaks (as of 8/26)

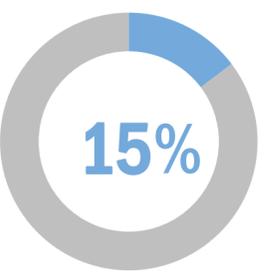

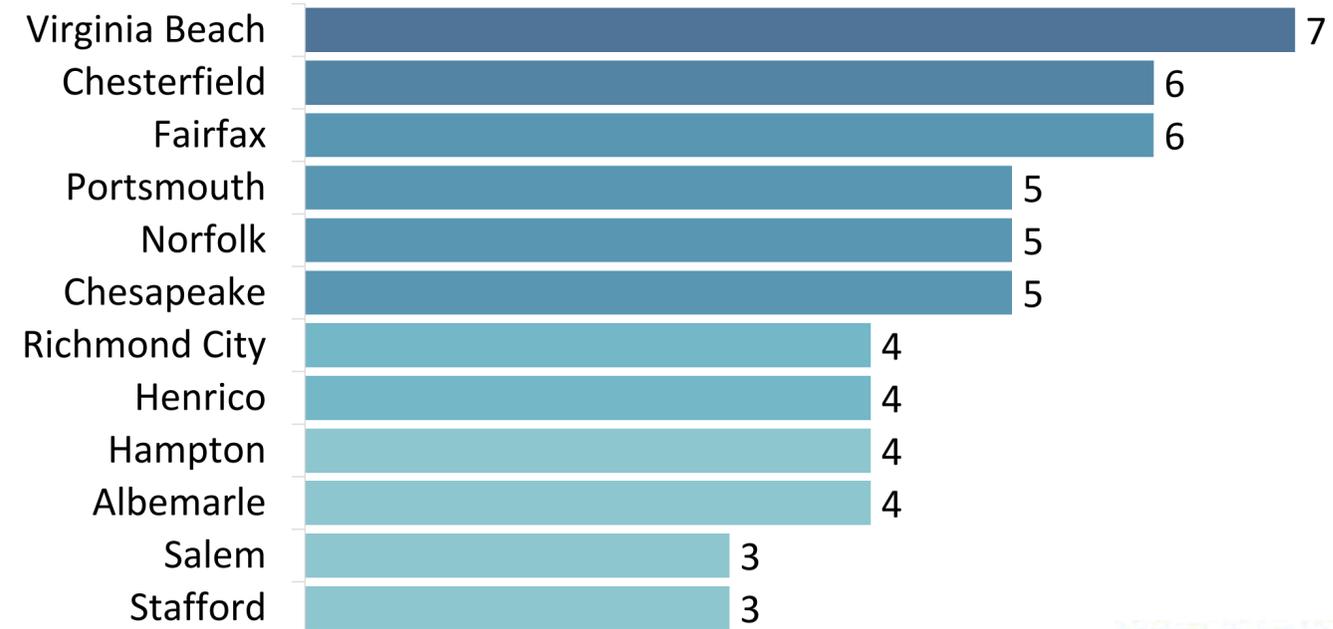

## Cumulative Outbreaks

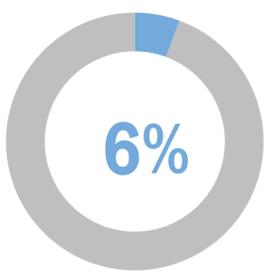

## LTCF Outbreaks in Progress

### Localities with the Most LTCF Outbreaks in Progress

Percent of cases in VA that are outbreak related

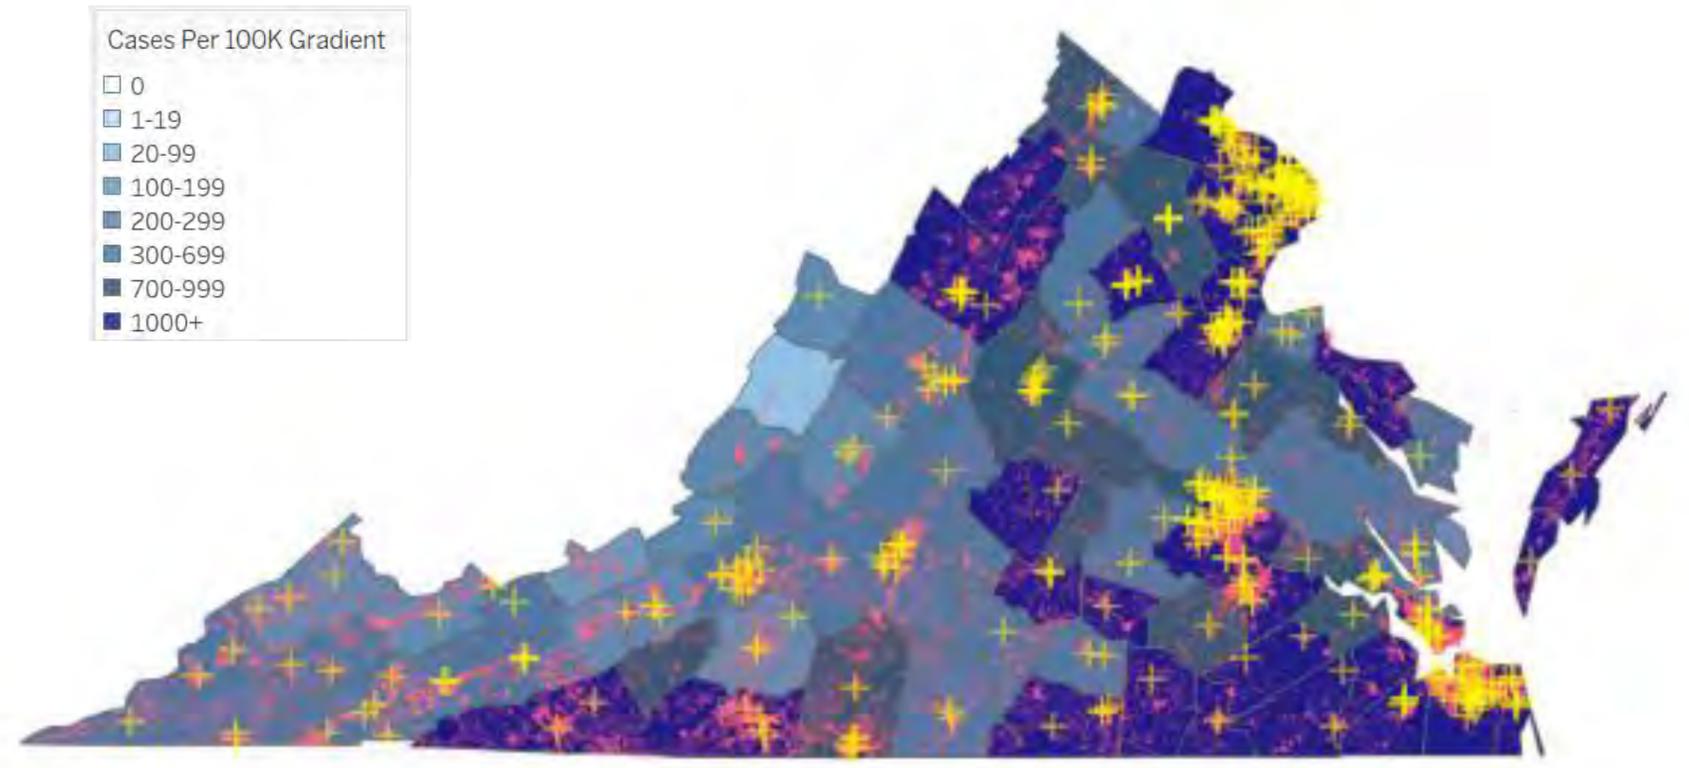

Percent of healthcare worker cases in VA

Data source: VDH website

### Activities and Updates

- Developed in-depth analysis for five health districts to provide a data-driven approach to equitable response. Provided in-depth briefings to each of the five health districts on the analysis provided.
- Continuing to work on creating a map to streamline how Virginians find information and locations for receiving free COVID-19 testing.
- Continuing to implement the health equity PPE pilot project.
- Continuing to promote the HEWG Guidebook webpage hosted on OHE's website.

# VDEM Regional Support East

## VDEM Region 1

Number of Cases (by Region): 18,542 cases / 480 fatalities

### Accomplishments

- Chesterfield Battelle Site has processed 36,024 N95 masks to date.

### Significant Activity Next 24-72 Hours

- Surveying localities to determine school opening plans & potential PPE needs.
- Continue to distribute recovery information to locals, PNPs, authorities, towns, and respond to inquiries.
- Coordinating health equity projects in multiple localities.

## VDEM Region 5

Number of Cases (by Region): 26,258 cases / 412 fatalities

### Accomplishments

- PPE deliveries to Localities, ALF, and Health Districts coordinated regularly.
- Coordinated Recovery for tornados from TC Isaias (ongoing).
- Region 5 Weekly COVID-19 Call held on 8/24/20.
- Tropical weather calls with localities held 7/30 – 8/4.
- FEMA Administration visit with Region 5 on 8/11/20.
- Coordinated HHS CRAFT Deployment Regional Calls – week of 7/20/20

### Significant Activity Next 24-72 Hours

- Maintain coordination with VDH.
- Monitor PPE Critical Status.
- Coordinate PPE WebEOC requests with localities.
- Coordinating Health Equity projects in multiple localities.

## VDEM Region 7

Number of Cases (by Region): 45,298 cases / 1,102 fatalities

### Accomplishments

- Participating in health equity calls
- Surge capacity team meeting
- Developed Long Term Operations Plan.

### Significant Activity Next 24-72 Hours

- Continue to support Mass Testing events
- Managing PPE Distribution through the NVERS Warehouse.

# VDEM Regional Support West

## VDEM Region 2

Number of Cases (by Region): 8,120 cases / 178 fatalities

### Accomplishments

- Maintained Situational Awareness of current severe weather threats and regional power outages.
- Continue to maintain situational awareness and assist localities with liaison support and facilitating resource requests for First Amendment Events.
- Maintaining Situational Awareness of Hurricane Laura. Communicating with partners for operational readiness and emergency protective measures.

### Significant Activity Next 24-72 Hours

- Develop strategies for communicating Recovery/Reimbursement information to localities and partners.
- Coordinate PPE Requests.
- Maintain SA and provide reporting on COVID-19 related data in Region 2.
- Support localities and partners as requested.
- Develop and acquire resources to maintain regional resiliency.
- Continue to assist the localities with liaison support and facilitating resource requests for future planned First Amendment Events.
- Continue to maintain Situational Awareness of Hurricane Laura. Communicate with partners for operational readiness and emergency protective measures.

## VDEM Region 3

Number of Cases (by Region): 8,545 cases / 168 fatalities

### Accomplishments

- Completed PPE Distribution
- Coordinated PPS testing requests, and resource requests
- Continuing to provide recovery information and support to localities and other partners.
- Completed Health Equity Kick-Off Meeting with City of Charlottesville and Albemarle County.
- Continuing to work with several localities on Health Equity Program

### Significant Activity Next 24-72 Hours

- Working with local EMs and agencies to make sure PPE needs, and Burn Rate information is kept current.
- Providing information and answering questions regarding the recovery process.
- Monitoring protests and rallies throughout Region 3.
- Working with localities interested in the Health Equity Program.
- Monitoring Hurricane Laura and preparing for potential impacts over the weekend
- Working with Olson Group on the following projects:
  - After Action Report for Region 3, Updating Local EOP Crosswalk
  - EOC Exercise in a Box for localities, COOP Template for localities

# VDEM Regional Support West

## VDEM Region 4

Number of Cases (by Region): 3,436 cases / 90 fatalities

### Accomplishments

- Worked with VDEM PA Grants as well as individuals from public schools, local governments and correctional institutions on initial damage assessment activities.
- Worked on an approved mask list for the Battelle System.
- Working with numerous LTC & DOC facilities to enter PPS requests for VANG to complete.

### Significant Activity Next 24-72 Hours

- Communicate with all local emergency managers who have not entered initial damage assessment information into Virginia PA.

## VDEM Region 6

Number of Cases (by Region): 6,380 cases / 97 fatalities

### Accomplishments

- Facilitated legislative/VARNG TAG visit to NRV HD.
- Implemented Battelle System at Virginia Tech.
- Conducted conference calls w/ regional stakeholders.
- Implemented Courier System for test samples VDH/VARNG.
- In-processed new VARNG LNO.

### Significant Activity Next 24-72 Hours

- Providing information to all stakeholders on PPE process.
- Supporting testing initiatives across VDH/VARNG/localities.
- Support local fatality management planning efforts.
- Coordinate w/VDH/NSPA to support LTCs.
- Coordinating fit testing support.
- Support VDH Epi Investigation conflicts.
- Initiating delivery services for PPE via VARNG

# VDEM Recovery Dashboard #27 – August 27, 2020 – COVID-19 Event, DR-4512-VA

This product is designed to highlight key open source reporting on significant events for VDEM executive leadership.  
Information cut off time: 1430 Hrs

VEOC Status: Partial Activation

State Declaration: March 13, 2020

Major Disaster Declaration : January 20 - ongoing

## VDEM Actions

- FEMA/VDEM Virtual JFO leadership are holding PA calls on Mondays, Wednesdays and Fridays.
- Recovery Section Chiefs participating on CRC calls with Regional Support every Friday.

## Public Assistance (PA) Updates:

- Applicants will have 30 Days from the end date of the Public Health Emergency to enter an RPA
- FEMA has extended the Emergency Work deadline for Category B until further notice.**
- The Applicant Briefing presentation has been updated, with added IEM Customer Service support information, and is posted on the [VDEM Coronavirus website](#).
- Working with FEMA to assign PDMGs (Program Delivery Managers) to Applicants that have requested additional customer service assistance from FEMA throughout the PA process.
- Applicants can continue to email Recovery at [Recovery@vdem.virginia.gov](mailto:Recovery@vdem.virginia.gov) to request a PDMG

## FEMA Non-congregate Sheltering Approvals:

- FEMA Statewide approval for homeless populations
  - Extended through September 12, 2020**
- FEMA Statewide approval for first-responders
  - Extended through September 17, 2020**

## FEMA Hazard Mitigation Grant Program Request:

Pending

## FEMA Immediate Services Program/Regular Services Program for CCP:

ISP Expires September 28, 2020; RSP Awarded to DBHDS, expires May 1, 2021

## FEMA Lost Wages Assistance Program:

Application submitted by VEC; in FEMA review.

## FEMA Individual Assistance (IA) Requests:

- Crisis Counseling
  - Immediate Services Program (ISP) Awarded on May 27<sup>th</sup>
  - Regular Services Program (RSP) Awarded on August 10<sup>th</sup>
- Disaster Unemployment Assistance
- Disaster Case Management
- Other Needs Assistance (ONA)
- Temporary Sheltering Assistance
- Substance Abuse and Mental Health Services Administration Grant Award
  - September 1, 2020 – May 31, 2021

## Small Business Administration (SBA) Relief

	Approved	Dollars
<b>Economic Injury Disaster Loans (EIDL)</b>	37,787	\$2,465,993,410
