# Incident Objectives

1. **TESTING:** Develop community testing and point prevalence surveillance strategies in accordance with the Governor's priorities.
2. **CONTACT TRACING:** Develop a contact strategy to keep the rate of spread within the capability of existing healthcare capacity.
3. **MEDICAL SURGE:** Continue to support and refine medical surge plans in collaboration with hospitals, long-term care facilities, correctional facilities and other congregate settings in the community..
4. **EQUITY: EQUALITY AND ETHICAL CONSIDERATIONS:** Ensure all operations are actively centered on and consider impacts to the most under resourced individuals and communities. Integrate, prioritize, measure, and validate equitable and ethical practices for all response and recovery decisions, actions, and resource allocation.
5. **SUPPLY CHAIN MANAGEMENT:** Maintain and adapt strategies to ensure supplies of goods and materials can meet an evolving demand environment.
6. **FEDERAL AID AND RECOVERY PROGRAMS:** Begin working with local governments and other eligible applicants for federal aid.
7. **SUSTAINMENT:** Prepare to maintain operations for the remainder of the year and respond to any secondary outbreaks and other emergencies.

# ESF-8 Public Health & Medical Updates

- On May 26, Governor Northam signed [Executive Order Sixty-Three](#), requiring Virginians to wear face coverings in public indoor settings to help contain the spread of the novel coronavirus. The Governor also directed the Department of Labor and Industry to develop emergency temporary standards to prevent workplace exposure to COVID-19. Governor Northam also signed an amended [Executive Order Fifty-One](#), extending Virginia's state of emergency declaration.
- On May 22, Governor Northam [announced](#) that for the first time, Virginians who receive Supplemental Nutrition Assistance Program (SNAP) benefits will be able to pay for their groceries online and have them delivered, after the United States Department of Agriculture (USDA) approved Virginia to participate in an online purchasing pilot program. The program will launch statewide in Virginia on May 29, with online shopping access available through the Amazon and Walmart online platforms.

Current level of community transmission in Virginia:	Widespread
Number of <a href="#">COVID-19 testing sites</a> in Virginia as of 5/27/20:	250
Number of Medical Reserve Corps (MRC) volunteers deployed on 5/22/20 – 5/26/20:	944
Number of visits made to the VDH COVID-19 website on 5/22/20 – 5/26/20:	1,047,380
Number of calls received by VDH (877-ASK-VDH3) and local health district call centers on 5/22/20 – 5/26/20:	1,753

## Total Cases by Date Reported

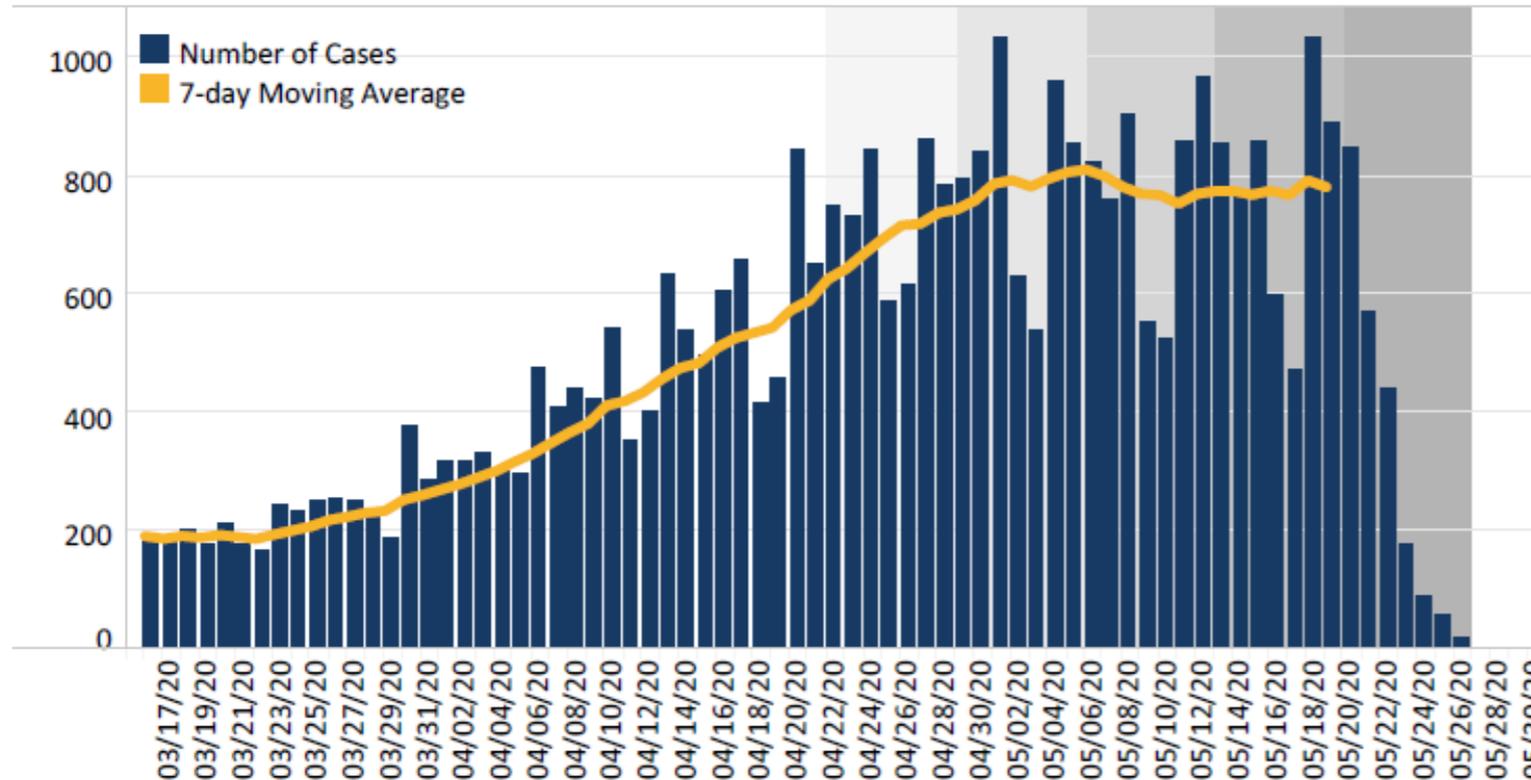

Number of new cases VDH reported by day.

## Confirmed Cases by Date of Symptom Onset

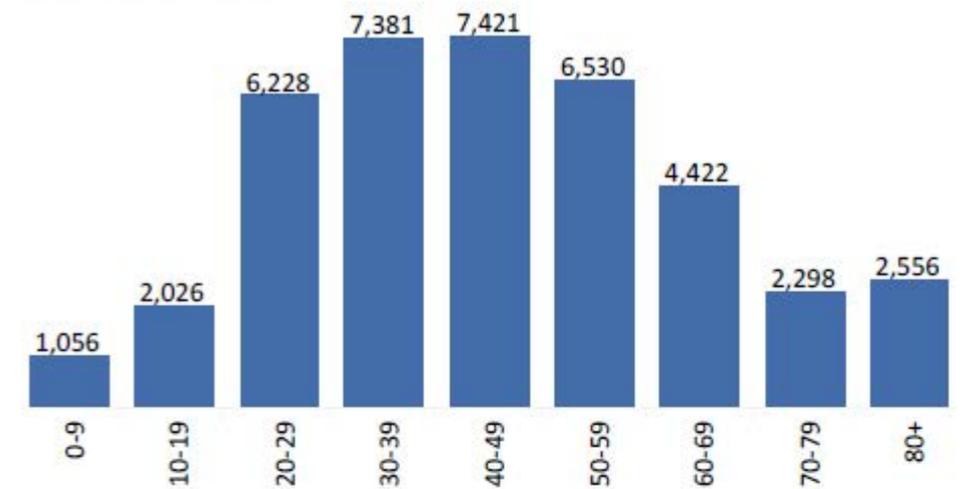

Number of cases by the day closest to when symptoms began.

Illness may not have been reported yet.

# COVID-19 Workgroup Updates

- **Healthcare Coordination**

- VDH expects additional shipments of [remdesivir from HHS](#) to arrive weekly throughout the month of June. Remdesivir will continue to be distributed by the VDH Division of Pharmacy Services to hospitals in accordance with the random selection model as determined by the VDMAC.
- A new [website](#) is now available as a resource for frontline healthcare workers and support staff.
- On 5/28, VDH will host a [real-time demo](#) for healthcare providers of the new COVIDCheck tool. This new AI-powered tool allows patients to self-screen and be directed to care.

- **Public Health Surveillance & Guidance**

- Workgroup continues to ensure that case investigation, contact tracing, monitoring, point prevalence surveys, and public health and commercial laboratory testing efforts are expanded through additional staffing, resource acquisition, and public outreach and education.
- The Sara Alert Contact Tracing System is currently undergoing limited piloting in preparation to go live statewide on May 29.

- **Community Mitigation**

- Guidance continues to be developed for various business sectors, communities and congregate settings around implementing non-pharmaceutical interventions.
- Reopening guidance for K-12 schools is being developed in collaboration with the Secretary of Education.

# COVID-19 Workgroup Updates

- **Governor's Long-Term Care Task Force**
  - The Task Force convenes weekly to discuss staffing, financing, and testing needs. In addition, regular care transitions, communications, and provider specific work groups meet biweekly and a Task Force Steering Committee comprised of state agency leadership meets weekly.
  - Point Prevalence Surveys (PPS) are being conducted at long-term care facilities to test all residents and staff, regardless of whether symptoms are being displayed or not.
  - In response to recent CMS guidance on testing and reopening long-term care facilities, the Task Force is working on clear and concise guidance for Virginia's long-term care facilities to implement such testing recommendations and begin phased reopening.
  - To date, the Task Force has developed a plethora of guidance for Virginia's long-term care facilities in addition to a playbook to support facilities' response efforts. These materials can be accessed on the [Task Force's website](#).

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> <li>Sorted PPE for delivery at the NVERS warehouse with the support of the National Guard.</li> <li>Loudon County mass testing event.</li> <li>Transition to long-term operations tempo planning.</li> </ul>	<ul style="list-style-type: none"> <li>After Action Report discussions.</li> </ul>

# Regional Support West

## VDEM Region 2

Number of Cases (by Region): 3,121 cases / 70 fatalities

### Accomplishments

- Maintained Situational Awareness of current severe weather threats and regional power outages.
- Coordinated resource requests.
- Deployed Planning Section Chief (VDEM R2) and Operations Section Chief Deputy (VANG) on May 21-22, 2020 to RAHD to assist with planning.
- Participated in yesterday's (May 21, 2020) ESF/Regional Support Sync Meeting and NAPS Quarterly Meeting.
- Maintaining situational awareness of the RAHD outbreak.

### Significant Activity Next 24-72 Hours

- Develop strategies for communicating Recovery / Reimbursement information to localities and partners.
- Coordinate PPE Requests.
- Coordinating with VAARNG and VDH for testing capabilities.
- Identifying and analyzing possible contributing factors for disparate, growing cases throughout the region.
- Incorporating Social Vulnerability Index to Region 2 COVID-19 Dashboard for situational awareness and planning purposes.
- Develop and acquire resources to maintain regional resiliency.

## VDEM Region 3

Number of Cases (by Region): 2,811 cases / 73 fatalities

### Accomplishments

- PPS testing scheduled at Fluvanna Correctional Center on May 25 & 26<sup>th</sup>.
- Outreach conducted to localities who have not applied for the FEMA Public Assistance Program.

### Significant Activity Next 24-72 Hours

- Coordinating PPE requests and deliveries
- Working with local EMs and agencies to make sure PPE requests are entered correctly under the new process
- Providing information and answering questions regarding the recovery process.
- VANG coordinating Fit Testing and PPS testing within Region.
- COVID19 testing scheduled for 5/28 in Rockingham County.
- Monitoring potential effects from Tropical Storm Bertha.

# Regional Support West

## VDEM Region 4

Number of Cases (by Region): 415 cases / 10 fatalities

### Accomplishments

- Worked with VDEM Grants as well as individuals from public schools, local governments and correctional institutions on initial damage assessment activities.
- Worked on an approved mask list for the Battelle System.

### Significant Activity Next 24-72 Hours

- Communicate with all local emergency managers who have not entered initial damage assessment information into Virginia PA.

## VDEM Region 6

Number of Cases (by Region): 743 cases / 37 fatalities

### Accomplishments

- Facilitated legislative/VARNG TAG visit to NRV HD.
- Implemented Battelle System at Virginia Tech.
- Conducted conference calls w/ regional stakeholders.
- Implemented Courier System for test samples VDH/VARNG.

### Significant Activity Next 24-72 Hours

- Providing information to all stakeholders on PPE process.
- Supporting testing initiatives across VDH/VARNG/localities.
- Support local fatality management planning efforts.
- Coordinate w/VDH/NSPA to support LTCs.
- Monitor weather conditions for possible flooding.
- Coordinating fit testing support.
- Support VDH Epi Investigation conflicts.
- Transitioning to new VANG LNO.
