Incident Objectives

- **TESTING:** Further develop and implement a sustainable infrastructure that supports public health and private sector SARS-CoV-2 testing strategies.
- **SURVEILLANCE AND INVESTIGATION:** Continue to conduct surveillance, case investigation and contact tracing to contain the spread of SARS-CoV-2.
- **COMMUNITY MITIGATION:** Based on review of public health data, continue to evaluate the need for implementation of community mitigation strategies (e.g. face coverings, physical distancing, etc.) in communities experiencing moderate-substantial community transmission. Continue to provide public health consultation on plans to implement risk mitigation strategies in community settings.
- **BEHAVIORAL AND MENTAL HEALTH:** Develop and support strategies that mitigate the impact of stressors on the public and healthcare providers/first responders (i.e. deteriorating health of self, loved one, or patients; job loss; disruption in daily activities).
- **MEDICAL SURGE:** Continue to support and refine medical surge plans in collaboration with hospitals, long-term care facilities, correctional facilities and other congregate settings.
- **MEDICAL COUNTERMEASURES:** Develop a plan and prepare for the statewide distribution of and dispensing of COVID-19 vaccines (and /or other medical countermeasures, e.g. antivirals).
- **RESOURCE MANAGEMENT:** Maintain and adapt strategies to ensure supplies of goods and services can meet an evolving demand environment. (i.e. new community spread or a second wave). Commence stockpiling of PPE, laboratory testing equipment, vaccination ancillary supplies and/or other medical goods for future response.
- **PUBLIC COMMUNICATIONS:** Develop and implement appropriate communications and media campaign strategies to inform the response of partners and the general public (i.e. provider training, business planning, getting tested, wearing a mask/social distancing, and vaccination).
- **OPERATIONAL FLEXIBILITY:** Be prepared to respond simultaneously to additional threats to include hurricanes and other weather related events in the SARS-CoV-2 environment.
- **RECOVERY:** Return economic, employment and business activities to a healthy state and restore and improve health and social services capabilities and networks to promote the resilience, independence, health (including behavioral health), and well-being of the whole community.

ESF-8 Public Health and Medical Updates

- On July 28, Governor Northam announced that additional community mitigation measures will take effect in the Hampton Roads region of the Commonwealth beginning this Friday. The measures include limiting indoor dining at restaurants to 50% capacity, stopping the sale of alcohol at restaurants at 10 p.m., and requiring restaurants to close at midnight. Additionally, all gatherings will be reduced from a maximum of 250 people to 50.
- On July 29, the VDH Office of Communications will host a tele-press briefing featuring State Health Commissioner M. Norman Oliver, MD, MA. Topics will include contact tracing, testing efforts and health disparities during the pandemic.

Number of COVID-19 testing sites in Virginia as of 7/28/20:	424
Number of Medical Reserve Corps (MRC) volunteers deployed on 7/20/20 – 7/26/20:	867
Number of visits made to the VDH COVID-19 website on 7/21/20 – 7/27/20:	809,181
Number of calls received by VDH (877-ASK-VDH3) and local health district call centers on 7/21/20 – 7/27/20:	3,799

COVID-19 Workgroup Updates

- **Healthcare Coordination**
 - The Testing Unit and Testing Advisory Council are collaborating to refine testing strategies and continue to look for opportunities to build new capacity for lab testing in an effort to improve testing turnaround times.
 - The COVID-19 Unified Command Health Equity Working Group has published a [COVID-19 Testing and Contact Tracing Health Equity Guidebook](#). This Guidebook is a comprehensive resource covering the end-to-end process of planning and executing inclusive and accessible COVID-19 testing events and contact tracing efforts with a health equity lens.
 - Local Health Districts are actively conducting [community testing events](#) across the state, with many events being targeted to underserved, vulnerable and high-risk populations.
- **Community Mitigation**
 - The VDH [website](#) continues to be maintained with guidance for schools, workplaces and other community settings.
 - The workgroup continues to work with the Public Health Surveillance and Guidance Workgroup, the Governor's Office and community stakeholders to develop guidance for reinstating community mitigation measures.

COVID-19 Workgroup Updates

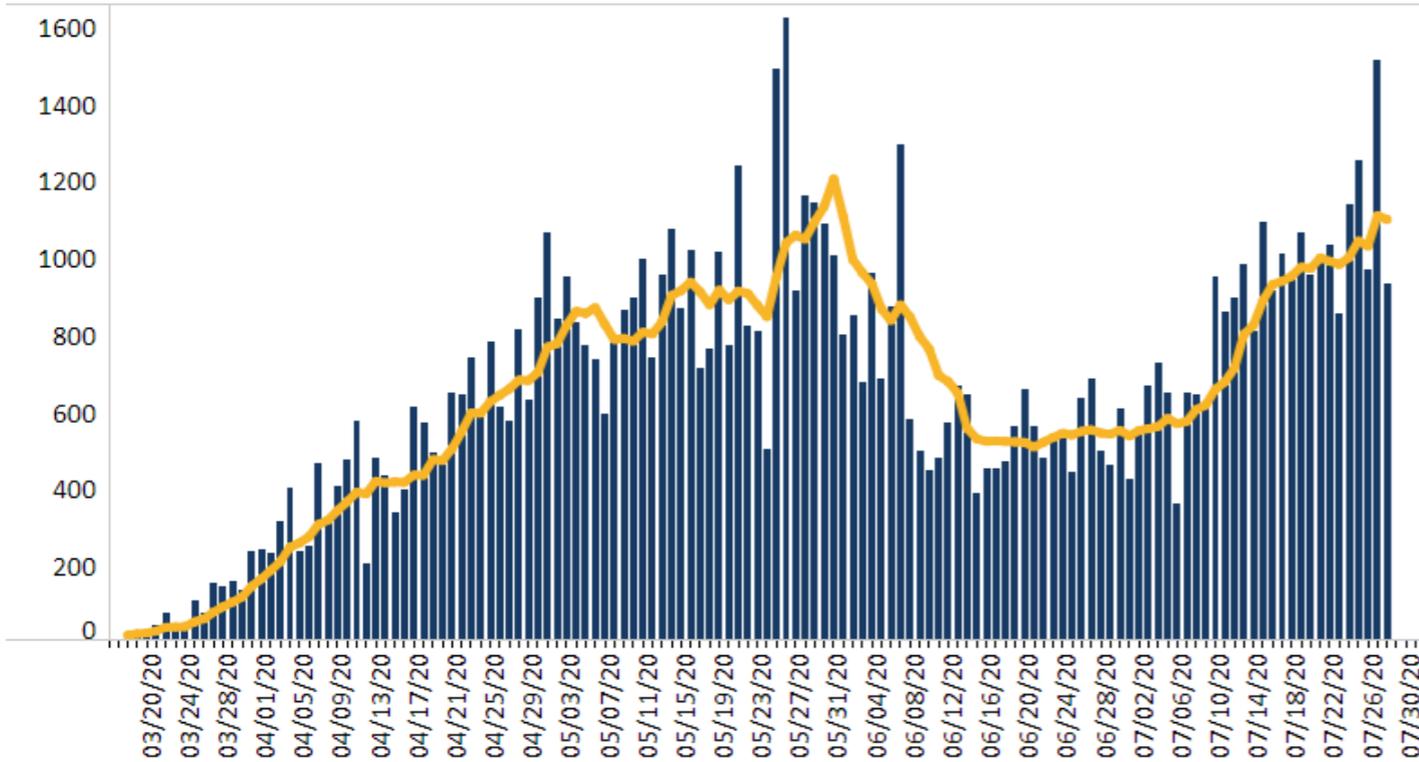

- **Public Health Surveillance & Guidance**

- Workgroup continues to ensure that case investigation, contact tracing, monitoring, point prevalence surveys, and public health and commercial laboratory testing efforts are expanded through additional staffing, resource acquisition, and public outreach and education. These metrics and actions are being closely monitored in the consideration of reinstatement of additional community mitigation measures.
- [July 24 UVA COVID-19 Model Weekly Update](#) - Key Takeaways:
 - Twelve health districts are experiencing surges, including eight in the Hampton Roads area.
 - On current course, Virginia is projected to have ~15,000 weekly cases, and growing, by early September.
 - On July 11, the reproduction rate was above 1.0 statewide and in four of six HPP regions.
 - So far, projections do not anticipate hospitalizations will exceed capacity through August, however it is crucial to mitigate surges.
 - Social distancing appears to be waning, but infection control and other mitigation strategies are suppressing spread.

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> Completed PPE Distribution Coordinated PPS testing requests Coordinated resource requests Continuing to provide recovery information and support to localities and other partners Participated in Recovery Scoping Meeting with FEMA and partners from Albemarle County Completed the FEMA PA Streamlined Application Process Training Monitored protest at ICE detention facility in Farmville on 7/25 	<ul style="list-style-type: none"> Coordinating PPE requests and deliveries Working with local EMs and agencies to make sure PPE needs, and Burn Rate information is kept current Providing information and answering questions regarding the recovery process National Guard coordinating PPS testing within Region Monitoring protests and rallies throughout Region 3 Working with localities interested in the Health Equity Program

Regional Support West

VDEM Region 4

Number of Cases (by Region): 1,660 cases / 49 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> • Worked with VDEM PA Grants as well as individuals from public schools, local governments and correctional institutions on initial damage assessment activities. • Worked on an approved mask list for the Battelle System. • Working with numerous LTC & DOC facilities to enter PPS requests for VANG to complete. 	<ul style="list-style-type: none"> • Communicate with all local emergency managers who have not entered initial damage assessment information into Virginia PA.

VDEM Region 6

Number of Cases (by Region): 3,631 cases / 49 fatalities

Accomplishments	Significant Activity Next 24-72 Hours
<ul style="list-style-type: none"> • Facilitated legislative/VARNG TAG visit to NRV HD. • Implemented Battelle System at Virginia Tech. • Conducted conference calls w/ regional stakeholders. • Implemented Courier System for test samples VDH/VARNG. • In-processed new VARNG LNO. 	<ul style="list-style-type: none"> • Providing information to all stakeholders on PPE process. • Supporting testing initiatives across VDH/VARNG/localities. • Support local fatality management planning efforts. • Coordinate w/VDH/NSPA to support LTCs. • Coordinating fit testing support. • Support VDH Epi Investigation conflicts. • Initiating delivery services for PPE via VARNG

VDEM Recovery Dashboard #22 – July 23, 2020 – COVID-19 Event, DR-4512-VA

This product is designed to highlight key open source reporting on significant events for VDEM executive leadership.

Information cut off time: 1400 Hrs

VEOC Status: Partial Activation

State Declaration: March 13, 2020

Major Disaster Declaration : January 20 - ongoing

VDEM Actions

- FEMA/VDEM Virtual JFO leadership are holding PA calls on Mondays, Wednesdays and Fridays.
- Recovery Section Chiefs participating on CRC calls with Regional Support every Friday.

Public Assistance (PA) Updates:

- Applicants will have 30 Days from the end date of the Public Health Emergency to enter an RPA
- The Applicant Briefing presentation is posted on the [VDEM Coronavirus website](#).
- Working with FEMA to assign PDMGs (Program Delivery Managers) to Applicants that have requested customer service assistance throughout the PA Process.
- Applicants can continue to email Recovery at Recovery@vdem.virginia.gov to request a PDMG

FEMA Non-congregate Sheltering Approvals:

- FEMA Statewide approval for homeless populations
 - Extended through August 12, 2020
- FEMA Statewide approval for first-responders
 - Extended through August 18, 2020

FEMA Hazard Mitigation Grant Program Request:

Pending

FEMA Immediate Services Program:

September 28, 2020

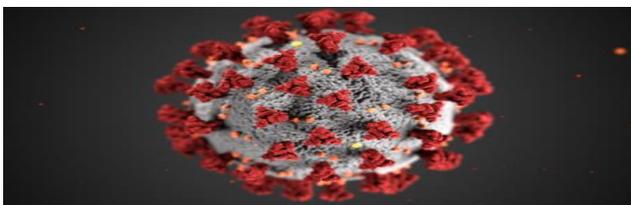

FEMA Individual Assistance (IA) Requests:

- Crisis Counseling
 - Awarded on May 27th
 - Period of performance ends July 29th
- Disaster Unemployment Assistance
- Disaster Case Management
- Other Needs Assistance (ONA)
- Temporary Sheltering Assistance

Small Business Administration (SBA) Relief

	Approved	Dollars
Economic Injury Disaster Loans (EIDL)	37,787	\$2,465,993,410
EIDL Advances	80,760	\$279,149,000
Paycheck Protection Program (PPP)	104,963	\$12,480,799,669
Total	170,891	\$15,225,942,079

On June 16, 2020 it was announced that the SBA's EIDL Loans and Advance Program reopened to all eligible small businesses and non-profits Impacted by COVID-19. More information on the SBA Relief programs [can be found here](#).
