Incident Summary:

The Cybersecurity and Infrastructure Security Agency (CISA) continues to monitor the evolving Coronavirus Disease, also known as COVID-19, situation closely. CISA is taking part in interagency and industry coordination calls and working with critical infrastructure partners to prepare for possible disruptions to critical infrastructure that may stem from widespread illness

FEMA reports approximately 1,521,252 cases and 92,798 deaths worldwide. In the US there are approximately 498,670 cases and 18,775 deaths

KEY POINTS:

- The Puerto Rico Governor formally requested the FAA ban flights to Puerto Rico from areas with high numbers of COVID-19 cases
- FEMA has deployed 2,895 employees in support of COVID19 response
- Virginia reported its largest single day increase (568) of COVID19 cases
- The NYPD reported 2,612 personnel tested positive; 2,682 currently quarantined

CRITICAL INFRASTRUCTURE IMPACTS

COMMERCIAL FACILITIES

Vermont extended the stay-at-home emergency order through 15 May. Region I has restrictions on Public Gatherings, Close-Contact Businesses, Public Recreation and Business Service Providers extended until 08 May.

GOVERNMENT FACILITIES

Austin County, Texas: all government functions are open, but the facilities are closed to include schools.

Cybersecurity and Infrastructure Security Agency
Integrated Operations Division

The Texas governor announced a new "Frontline Child Care Website" to help essential workers in Texas locate child care and support child care centers during the outbreak.

HEALTHCARE AND PUBLIC HEALTH

Virginia reported its largest single-day increase of COVID-19 cases with an increase of 568.

In Wharton County, TX, two screening locations were set up due to confirmed community spread in a local supermarket.

Six hospitals in New Jersey are on diversion: three hospitals are on Critical Care divert, and three are on full/total divert due to patient volume.

TRANSPORTATION SYSTEMS

(Aviation)

The Puerto Rico Governor formally requested the Federal Aviation Administration (FAA) ban flights to Puerto Rico from areas with high COVID-19 cases.

The FAA's airport certification safety inspections will continue within required timeframes during the COVID-19 pandemic. The airport certification safety inspectors will complete inspections by September 30, 2020.

The FAA is extending the temporary waiver of minimum 80 percent slot-use requirements at U.S. airports to assist airlines with COVID-19 related flight cancellations until 24 Oct.

(Mass Transit and Passenger Rail)

Starting 11 Apr, the Rhode Island Public Transit Authority will reduce bus capacity to 15 passengers due to social distancing.

ACTIVATIONS AND DECLARATIONS

The South Dakota Secretary of Health declared a Public Health Emergency in Sioux Falls, SD.
